18 (b)(1) Each of such funds shall be established and held separate and apart
19 from any other funds or monies of the State and shall be used and administered
20 exclusively for the purpose of this chapter with the exception of transferring
21 funds from the Vermont Drinking Water Planning Loan Fund and the Vermont

1 Drinking Water Source Protection Fund to the Vermont Environmental
2 Protection Agency (EPA) Drinking Water State Revolving Fund, and from the
3 Vermont Pollution Control Revolving Fund to the Vermont Environmental
4 Protection Agency (EPA) Pollution Control Revolving Fund, when authorized
5 by the Secretary.

6 (2) These funds shall be administered by the Bond Bank on behalf of the
7 State, except that:

8 (A) the Vermont EPA Drinking Water State Revolving Fund shall be
9 administered by VEDA concerning loans to privately owned public water
10 systems ~~under subdivisions (a)(3) and (5) of this section~~ in accordance with
11 subchapter 3 of this chapter;

12 (B) the Vermont Environmental Protection Agency (EPA) Pollution
13 Control Revolving Fund shall be administered by VEDA concerning loans to
14 private entities for clean water projects in accordance with subchapter 4 of this
15 chapter; and

16 (C) the Vermont Wastewater and Potable Water Revolving Loan
17 Fund may be administered by a community development financial institution,
18 as that term is defined in 12 U.S.C. § 4702, that is contracted with by the State
19 for the purpose of providing loans to individuals for failed wastewater systems
20 and potable water supplies ~~under subdivision (a)(10) of this section~~ in
21 accordance with section 4763b of this chapter.

1 purposes set forth in section 4754 of this chapter. Each of the loans shall be
2 made subject to the following conditions and limitations:

4 (4) Notwithstanding any other provisions of law, municipal legislative
5 bodies may execute notes and incur debt on behalf of municipalities:

6 (A) with voter approval at a duly warned meeting, for amounts less
7 than \$75,000.00;

8 (B) by increasing previously approved bond authorizations by up to
9 \$75,000.00 to cover unanticipated project costs or the cost of directly and
10 functionally related enhancements; ~~or~~

11 (C) without voter approval for a natural resources project under the
12 sponsorship program, as defined in section 4752 of this title, provided that:

13 (i) the amount of the debt incurred does not exceed an amount to
14 be forgiven or cancelled upon the completion of the project; and

15 (ii) the municipality obtains voter approval for the paired water
16 pollution abatement and control facilities project under the sponsorship
17 program, pursuant to the requirements set forth in chapter 53 of this title; or

18 (D) without voter approval for municipal clean water and public
19 water supply system projects receiving loan forgiveness, provided that the
20 amount of debt incurred does not exceed the amount to be forgiven or
21 cancelled upon completion of the project.
