

1       Sec. X. LEGISLATIVE BRANCH; SPACE AND HEALTH AND SAFETY  
2               ASSESSMENT; COVID-19 EMERGENCY; SERGEANT AT ARMS

3               (a) On or before August 15, 2020, the Sergeant at Arms, shall issue a  
4               request for proposal for a health and safety and space needs assessment for the  
5               Legislative Branch for COVID-19 mitigation. The assessment shall include:

6                       (1) the health and safety infrastructure measures needed to mitigate  
7                       COVID-19 and meet social distancing requirements in the State House, and  
8                       any other Legislative Branch space;

9                       (2) options for use of space in the Capitol Complex for meetings and  
10                      legislative staff offices, including 133 State Street.

11              (b) The Sergeant at Arms shall contract with an independent third party to  
12              conduct the analysis described in subsection (a) of this section. The analysis  
13              shall be completed on or before [DATE?].

14              (c) The amount of \$XXXXXX is appropriated from the Coronavirus Relief  
15              Fund to the Sergeant at Arms to conduct the analysis described in this section.
