

1 (3) requirements for implementation of a lead mitigation plan or other
2 necessary response to a reported exceedance of the action level;

3 (4) conditions or criteria for the waiver of sampling required under this
4 chapter;

5 (5) requirement that each school district, supervisory union or independent
6 school create

7

8

9 an inventory of lead-bearing parts within all buildings used for education.

10 The inventory shall include

11 plumbing with solder containing greater than .2% lead, and brass fixtures containing
12 greater than .25% lead.

13

14 (6) any other requirements that the Commissioner deems necessary for
15 the implementation of the requirements of this chapter.

16 § 1248. ENFORCEMENT; PENALTIES

17 In addition to any other authority provided by law, the Commissioner of
18 Health or a hearing officer designated by the Commissioner may, after notice
19 and an opportunity for hearing, impose an administrative penalty of up to
20 \$500.00 for a violation of the requirements of this chapter. The hearing before
