

DRAFT: Summary of the Subset of Districts Currently Without Voter Approval for an FY21 Budget

Data represents the budgets that were initially warned by the board -for the districts with defeated budgets - boards may have already submitted a new budget. U080 (Granville-Hancock) and U081 (Rochester-Stockbridge) do not yet have finalized/warned FY21 budgets - excluded for overall subset calculations. The overall increase in education spending per pupil requested for this subset is 5.8%, with an equalized pupil decline of -1.2%. The overall increase in total school budgets and education spending requested for this subset are 1.4% and 4.7% respectively.

Subset of Districts Currently Without Voter Approval for an FY21 Budget: 20 Districts (~22% Education Spending)
Percent Change in Education Spending/Equalized Pupil Requested
