About This Document: Cumulative scores are calculated for The Sharon Academy courses upon receiving credit. Credit is awarded upon completion of a course with a grade of P, E, or a grade of 60, or D-, or higher. As of school year 2017-2018, grades shifted from numeric to A/B/C/D scale, see the legend below. Students are required to complete 160 hours of community service over 4 years, which is recorded on this document. PATH, Pursuing Action, Thought, and Health, is the social, emotional, and health curriculum. Participation in sports is recorded and credited as Physical Education (PE), of which up to 1.0 credits per year may count towards graduation. Students receive transfer credit (TR) for courses taken at accredited institutions while enrolled at The Sharon Academy. The institution from which courses are transferred is indicated in the grade record. Documentation of credit while student was not enrolled is provided separately.

About Transferable Skills and this Document

- Evidence of achievement as of January 31st, 2020.
- Scores on standards are: Starting, Progressing, Meeting and Exceeding. Meeting is the lowest proficient score for evidence on this document for promotion and graduation.
- One piece of evidence is earned by Meeting or Exceeding one TSA Transferable Skill Standard Indicator in a course or approved activity. (E.g.: TSA1A: Analyze Text is an indicator for standard TSA1: Acquire Information)
- Students do not have to meet all indicators in a standard.
- Courses and activities in which students have achieved Meeting and Exceeding are listed without repeats.
- An indicator is met at most once in a course or approved activity. Multiple indicators within a Transferable Skill Standard may be met in one course or activity. (E.g.: A student can meet indicators 'TSA1A: Analyze Text' and 'TSA1B: Analyze Perspective' in one course for 2 pieces of evidence in standard TSA1)
- Please visit TSA's website for the list of Indicators.
- Current year progress only includes standards that have been assessed in current or completed opportunities. Electives are added each quarter. Sports and other opportunities are added as they are completed.
