Testimony

Outline

A. GOAL OF TESTIMONY

- To create awareness among members of the legislature about the Vermont Brain Bee, the benefits of teaching and promoting neuroscience to high school students, to have involvement in more high schools and to improve educational outreach efforts across our rural state.
- To communicate what is needed to continue the successful momentum of the Vermont Brain Bee – coverage of expenses, i.e., website, competition, travel, new non-profit status.

B. HISTORY OF THE ANNUAL VERMONT BRAIN BEE – *Lisa Bernardin, presenter*
