Note: This is Table 4 from the SHEEO: State Higher Education Finance FY 2017 Report.

- Notes:
1. Educational appropriations are a measure of state and local support available for public higher education operating expenses including ARRA funds, and exclude appropriations for independent institutions, financial aid for students attending independent institutions, research, hospitals, and medical education.
 2. The U.S. calculation does not include the District of Columbia or Puerto Rico.
 3. Adjustment factors to arrive at constant dollar figures include Cost of Living Index (COLI), Enrollment Mix Index (EMI), and Higher Education Cost Adjustment (HECA). The Cost of Living Index (COLI) is not a measure of inflation over time.

Educational Appropriations Per FTE (Adjusted)-Difference From US Average, FY 2017

Note: This is Figure 8 from the SHEEO: State Higher Education Finance FY 2017 Report.

Dollars adjusted by 2017 HECA, Cost of Living Index, and Enrollment Index.

Educational appropriations measures state and local support available for public higher education operating expenses and excludes appropriations for independent institutions, financial aid for students attending independent institutions, and research.

Community Partnerships and Service Learning (CUPS) Summary

- The service learning initiatives of UVM provide students with hands on learning opportunities, provide the community the educational support and resources they need, and provide the state and community partners with public service and research.
- The partnerships that UVM has made with the community has resulted in hundreds of research reports and the involvement of students, staff, faculty, and people in the community
- Outreach includes working with underserved populations, responding to community health needs, tracking VT economic development, holding events for the public, providing technical assistance, education, and financial support.
- As of the 2017-18 Graduating Class, 45.3% of graduating seniors at UVM took at least one service learning course while at UVM.
