- NEK Broadband (2020) (26)
- Newbury REDINET (2017) (1)
- Southern Vermont CUD (2020) (13)

Definitions:

- * Town RFP: Towns which have issued an RFP for broadband in 2019-2020. This list may be incomplete.
- * CUD Study Area: Groups of towns where a pre-feasibility or feasibility study is currently taking place to examine the ideal composition of a CUD.
- * Provisional: All towns displayed as a solid color are currently members of a CUD or will formally vote at Town Meeting in March of 2020. Towns where a vote is expected, but the ballot measure has not yet been formally accepted are marked as Provisional.

Source: Information displayed was collected by the PSD via outreach to individual towns, broadband working groups, and Regional Planning Commissions. Data current as of January 22, 2020. Data subject to change.
