

**suncommon**

# At-A-Glance

## **Purpose**

SunCommon believes that everyone has the right to a healthy environment and brighter future – and renewable energy is where it starts. Energy from the sun can power our lives and build vibrant communities. Our mission is to tear down barriers to clean energy and use our business as a force for good.

## **Organization**

- Founded in 2012, celebrating our 7<sup>th</sup> birthday this March
- Vermont Benefit Corporation, certified as a BCorp
- Majority-owned by founders; outside investors include Vermont Community Foundation and Fresh Tracks Capital

## **Scale**

- Vermont's largest clean energy business
- #1 market-share Residential solar, #4 Commercial
- Solarized 1 in 40 VT homes, 5000 in VT, 8000 total customers
- Acquired leading business to expand into New York's Hudson Valley

## **Employees**

- 122 full-time in VT, hiring more here to serve the NY segment
- Young workforce, median age is 32
- \$8M total annual compensation
- 220 Vermont employees & family members provided full benefits (100% of family healthcare premiums, deductible support, eye, dental, 401k match, disability ins.)

## **Innovations**

- Consumer financing...solar at no upfront cost and monthly savings
- Community Solar...offering a solar solution for everyone
- Solar Home Heating & Cooling...replacing expensive fuel oil/propane
- Small Solar Canopy
- Home Energy Storage...battery back-up powered by solar panels
- Electric vehicle charging stations
- First commercial scale solar parking canopy, installed at the Alchemist Brewery
