Only 4 of the pending net metering cases were ordered a hearing.

Need to create efficiency in government operations and certainty for Vermonters generating their own renewable electricity by establishing clear timelines / process and certainty for CPG application review and permitting.

H.366 language mirrors existing statute related the Public Utility Commission's timelines for review of local telecommunications and wireless projects.

H. 366 - Lowering Local Solar Costs

- ▶ Simplified permitting process for solar parking canopies
