Subject: Designated Administrator Language for Housing programs

I believe your committee asked for our recommended language for designating administrators of these two programs without specifically naming VSHA & VHFA. See below if you decide to go that direction.

Thanks, Josh

Vermont Rental Housing Stabilization Fund: (target administrator is VSHA)

() The program shall be administered in partnership with a Vermont based, statewide organization with expertise in partnering with private landlords, nonprofits, other statewide agencies and municipalities; as well as promoting and preserving affordable housing. This organization shall have prior experience in administering federal rental assistance funds.

Home Forever Fund: (target administrator is VHFA)

() The program shall be administered in partnership with a Vermont based, statewide organization with expertise in financing and promoting affordable, safe, and decent housing opportunities for low- and moderate-income Vermonters.

Josh Hanford | Commissioner
Vermont Department of Housing and Community Development
1 National Life Dr, Davis Bldg, 6th Floor | Montpelier, VT 05620-0501
