Hello Ms. Hussey,

I understand the Government Operations Committee is considering including Vermont Solid Waste District's expenses related to COVID-19 in S.349, an act relating to emergency funding for local government. We would welcome and support being included in this bill. Please provide this information to the committee members.

To date, our COVID-19 initial estimates:

Appreciation Pay/Reduced work schedule: \$26,781.07

Families First related: \$12,562.52

Supplies: \$ 9,658.71

Total through June 12: \$49,005.30

Thank you,
Jen
