Differences between Senate and House Versions of S.54

House Counter to Senate Counter

September 4, 2020

Senate	House	Senate counter	House counter
Regulatory Authority Cannabis Control Board, independent executive branch agency Three Board members • Chair, appointed by Gov. • Member, appointed by Sen. CoC • Member, appointed by Speaker	Regulatory Authority Same Three Board members • Nominating Committee vets candidates • Gov. appoints	Senate agrees to House proposal provided the Governor's selected Board members require confirmation by the Senate.	House agrees to Senate confirmation of Board.
NA	12 member advisory committee under the authority of the Board	Senate agrees to House proposal. Tweak for medical	
On or before April 1, 2023, the Auditor of Accounts shall report to the General Assembly regarding the organizational structure and membership of the Cannabis Control Board and whether the structure continues to be the most efficient for carrying out the statutory duties of the Board.	Board sunsets 7/1/24; after receiving Auditor report in 11/23	Senate agrees to House proposal.	

Purpose of the Board is to regulate both commercial adult-use marijuana establishments AND the Medical Cannabis Registry and dispensaries. The Medical Cannabis Registry and dispensaries move over from DPS to the Board on 1/1/21. The existing medical cannabis statutes are repealed and replaced and the Board is directed to adopt new rules for the regulation of the medical program and dispensaries.	Purpose of the Board is to regulate ONLY commercial adult-use cannabis establishments. The Medical Cannabis Registry and dispensaries continue to be regulated by DPS.	Senate does not agree to House proposal.	House agrees. Dates will need to change to reflect new timeline with program moving to Board once new medical rules are adopted by the Board.
Appropriation In <i>FY20</i> , <i>\$810,000.00</i> is appropriated from the Cannabis Regulation Fund to the Cannabis Control Board to cover salaries and benefits; operating costs for space, IT, supplies, etc.; and an allowance for consulting costs during the start-up phase of the program which entails extensive rulemaking, working with the General Assembly on the build-out of the program for <i>FY21 and</i> <i>FY22</i> , and development of the licensing structure in accordance with the act. This appropriation is made in anticipation of receipts in the Fund.	Appropriation In <i>FY21</i> , <i>\$860,000.00</i> is appropriated from the Cannabis Regulation Fund to the Cannabis Control Board to cover salaries and benefits; operating costs for space, IT, supplies, etc.; and an allowance for consulting costs during the start-up phase of the program which entails extensive rulemaking, working with the General Assembly on the build-out of the program for <i>FY22 and</i> <i>FY23</i> , and development of the licensing structure in accordance with the act. This appropriation is made in anticipation of receipts in the Fund.	Senate agrees to House proposal with appropriate amendments to accommodate for delayed effective date of act.	

Appeals NA	Appeals Establishes an appeals process for persons aggrieved by a decision of the Board.	Senate agrees to House proposal.	
Licenses	Licenses		
Five licenses: cultivator, wholesaler, product manufacturer, retailer, testing lab.	Adds a sixth type of license, an integrated license, available only to applicants holding current medical dispensary registration. Allows vertical integration under one license.	Senate agrees to House proposal.	
The Board shall develop tiers for cultivator licenses based on the plant canopy size of the cultivation operation or plant count for breeding stock and may develop tiers for other licenses as appropriate.	Same, plus Board must develop tiers for retailers.	Senate agrees to House proposal.	
Vermont residents have priority in obtaining licenses.	The Agency of Commerce and Community Development, in collaboration with the Agency of Agriculture, Food and Markets, shall provide business and technical assistance to Vermont applicants with priority for services based on criteria adopted by the Board in accordance with	Senate agrees to House proposal.	

	subsection (a) of this section.		
Board must adopt rules regarding: Qualifications for licensure that are directly and demonstrably related to the operation of a cannabis establishment, including submission of an operating plan and the requirement for a fingerprint-based criminal history record check and regulatory record check.		Senate agrees to House proposal.	
	its financiers; and the identity of the controlling owners and principals of its financiers; (ii) a requirement to file an amendment to its operating plan in the event of a significant change in organization, operation, or financing; and (iii) the requirement for a fingerprint-based criminal history record check and regulatory record check.		

		a	
Oversight requirements.	Oversight requirements, including provisions to ensure that a licensed establishment complies with State and federal regulatory requirements governing insurance, securities, workers' compensation, unemployment insurance, and occupational health and safety.	Senate agrees to House proposal.	
Requirements for banking and financial transactions.	Requirements for banking and financial transactions, <i>including</i> <i>provisions to ensure that</i> <i>the Board, the</i> <i>Department of Financial</i> <i>Regulation, and</i> <i>financial institutions</i> <i>have access to relevant</i> <i>information concerning</i> <i>licensed establishments</i> <i>to comply with State and</i> <i>federal regulatory</i> <i>requirements.</i>	Senate agrees to House proposal.	
NA	Disclosure or eligibility requirements for a financier, its owners and principals, and its affiliates, which may include: (i) requirements to disclose information to a licensed establishment, the Board, or the Department of Financial Regulation; (ii) a minimum age requirement and a requirement to conduct a background check for natural persons;	Senate agrees to House proposal.	

	(iii) requirements to ensure that a financier complies with applicable State and federal laws governing financial institutions, licensed lenders, and other financial service providers; and (iv) any other requirements, conditions, or limitations on the type or amount of loans or capital investments made by a financier or its affiliates, which the Board, in consultation with the Department of Financial Regulation, determines is necessary to protect the public health, safety, and general welfare.		
 Public Records Records exempt from public inspection and copying under the Public Records Act/ confidential: any record in an application for a license relating to security, public safety, transportation or trade secrets; and any licensee record relating to security, public safety, transportation, trade secrets, or employees. 	Public Records Records exempt from public inspection and copying under the Public Records Act/ confidential: • any record in an application for a license relating to security, public safety, transportation, or trade secrets, <i>including</i> <i>information</i> <i>provided in an</i> <i>operating plan</i> <i>pursuant to</i> <i>subdivision</i> 881(a)(1)(B) of <i>this title</i> ; and	Senate agrees to House proposal.	

		1	
NA	 any licensee record relating to security, public safety, transportation, trade secrets, or employees. Notwithstanding 1 V.S.A. § 317(e), the Public Records Act exemption created in this subsection shall continue in effect and shall not be repealed through operation of 1 V.S.A. § 317(e). 		
Racial and Social Equity Provisions	Racial and Social Equity Provisions		
The Board shall issue licenses as determined according to a system of priorities adopted by rule by the Board. The system of priorities shall require consideration of criteria, including: • whether the applicants would foster social justice and equity in the cannabis industry by being a minority or women-owned business; and	Same		
 whether the applicants propose specific plans to recruit, hire, and implement a development ladder for 			

			· · · · · · · · · · · · · · · · · · ·
minorities, women, or individuals who have historically been disproportionately impacted by cannabis prohibition.			
Requires Board to submit to the General Assembly a proposal to work with the Department of Labor, Agency of Commerce and Community Development, and the Department of Corrections to develop outreach, training and employment programs focused on providing economic opportunities to individuals who historically have been disproportionately impacted by cannabis prohibition.	Same, but adds Director of Racial Equity to list of participants coordinating efforts.	Senate agrees to House proposal.	
Requires the Board to adopt rules for cannabis establishments that include policies and procedures for conducting outreach and promoting participation in the regulated cannabis market by diverse groups of individuals, including those who have been disproportionately harmed by cannabis prohibition.	Same		
Requires the Board to adopt rules that set forth standards for determining whether an applicant for a	Same		

cannabis establishment license should be denied a license because of his or her criminal history record based on factors that demonstrate whether the applicant presently poses a threat to public safety or the proper functioning of the regulated market. Nonviolent drug offenses shall not automatically disqualify an applicant.	Same		
adopt rules that set forth standards for determining whether an applicant to be an employee of a licensed cannabis establishment license should be denied because of his or her criminal history record based on factors that demonstrate whether the applicant presently poses a threat to public safety or the proper functioning of the regulated market. Nonviolent drug offenses shall not automatically disqualify an applicant.			
Requires the Board to adopt rules that set forth standards for determining whether an applicant for a medical dispensary license or an employee of a dispensary should be denied a license because of his or her criminal history record based on factors that demonstrate whether the applicant presently poses a threat to public safety or the proper	NA	Senate does not agree to House proposal.	House agrees.

functioning of the regulated market. Nonviolent drug offenses shall not automatically disqualify an applicant.		Senate raises issue of cannabis expungement in S.294 as passed by Senate.	House has included the cannabis expungement language in S.234, Miscellaneous Judiciary Procedures
Local control	Local control		
<i>Opt-out</i> for towns that want to prohibit all or a certain type of licensed cannabis establishment.	<i>Opt-in</i> for towns that want to allow a licensed cannabis retailer.	Senate does not agree to House proposal.	House does not agree.
The local cannabis control commission may administer municipal permits under this subsection for cannabis establishments within the municipalityThe Board shall adopt rules relating to a municipality's issuance of a <i>local permit</i> for a cannabis establishment in accordance with this subsection. All applications for and forms of municipal licenses and permits shall be prescribed by the Board.	The local cannabis control commission may issue and administer local control licenses under this subsection for cannabis establishments within the municipalityThe Board shall adopt rules relating to a municipality's issuance of a local control license in accordance with this subsection and the local commissioners shall administer the rules furnished to them by the Board as necessary to carry out the purposes of this section.	Senate agrees to House proposal.	
NA	The Board has the authority to charge and collect local license fees for cannabis establishments at the time of license	Senate does not agree to House proposal.	House does not agree.

	application or renewal. After reduction for costs of administration and collection, the Board shall pay local license fees on a quarterly basis to the municipality in which the fees were collected. The Board will report to the General Assembly no later than January 15, 2021, recommendations for local license fees that are designed to help defray the cost incurred by municipalities in which cannabis establishments are located.		
Advertising Advertising permitted provided licensee can show at least 70% of audience is 21+. Cannabis advertising shall not contain any statement or illustration that: (1) is deceptive, false or misleading; (2) promotes overconsumption; (3) represents that the use of cannabis has curative effects; (4) depicts a person under 21 years of age consuming cannabis; or (5) is designed to be or has the effect of being particularly appealing to persons under 21 years of age.	Advertising Advertising prohibited. Advertising does not include any label on products, editorials, sign attached to premises of establishment identifying location, any educational, instructional, or otherwise noncommercial material.	Senate proposes adopting the advertising language developed by HGO before it was amended on the House floor.	House does not agree.

All advertising shall contain the following warnings: (1) For use only by adults 21 years of age or older. Keep out of the reach of children. (2) Cannabis has intoxicating effects and may impair concentration, coordination, and judgment. The Board is required to adopt rules on advertising, marketing, and signage.			
Prohibited products:	Prohibited products:		
•cannabis products that contain nicotine or alcoholic beverages; and •any cannabis or cannabis products that are designed to make the product more appealing to persons under 21 years of age.	 cannabis flower with greater than 30 percent tetrahydrocannabinol; solid concentrate cannabis products with greater than 60 percent tetrahydrocannabinol; oil cannabis products except for those that are sold prepackaged for use with battery- powered devices; flavored oil cannabis products sold prepackaged for use with battery-powered devices and any cannabis flower that contains characterizing flavor that is not naturally occurring in the cannabis; cannabis products that contain nicotine or alcoholic beverages; and 	Senate does not agree to House proposal.	House does not agree.

	•any cannabis or cannabis products that are designed to make the product more appealing to persons under 21 years of age.		
A packaged cannabis product may not contain more than <i>100</i> mg of THC unless it is a topical preparation or other nonconsumable product.	A packaged cannabis product may not contain more than 50 mg of THC unless it is a topical preparation or other nonconsumable product.	Senate does not agree to House proposal.	House does not agree.
Cannabis products must be labeled in a manner which states the number of servings of <i>delta-9</i> <i>tetrahydrocannabinol</i> in the product, measured in servings of a maximum of <i>10</i> milligrams per serving	Cannabis products must be labeled in a manner that states the number of servings of <i>tetrahydrocannabinol</i> in the product, measured in servings of a maximum of <i>five</i> milligrams per serving	Senate does not agree to House proposal.	House does not agree.
Cannabis products must be labeled with information on the date the product was produced, length of time it typically takes for products to take effect and appropriate warnings concerning the potential risks of consuming cannabis and the need to keep the product away from persons under the age of 21.	Cannabis products must be labeled with the date the product was manufactured, the date the product is best used by, the ingredients contained in the product, information on the length of time it typically takes for products to take effect, and appropriate warnings developed by the Department of Health.	Senate agrees provided the health warnings are developed as indicated below.	
Warnings concerning the potential risks of consuming cannabis and the need to keep the product away from persons under the age of	<i>Health</i> warnings developed by Department of Health and adopted through rulemaking by the Board.	Senate proposes the health warnings are developed by the Board in consultation with the Department of Health and adopted by rule.	House agrees.

21, as well as any other adopted through rulemaking by the Board.			
Small cultivators	Small cultivators		
Defined as 500 sq. ft. or less	Defined as <i>1,000</i> sq. ft. or less	Senate agrees to House proposal.	
The Board shall consider the different needs and risks of small cultivators when adopting rules and shall make an exception or accommodation to such rules for cultivators of this size where appropriate.	The Board shall consider the different needs and risks of small cultivators when adopting rules and shall make an exception or accommodation to such rules for cultivators of this size where appropriate, provided that the rules shall not provide for an exception or accommodation to the requirements of section 869 of this title (environmental and land use).	Senate agrees to House proposal.	
Small cultivators licensed at same time as other cultivators, although the Board shall give preference to smaller cultivation operations in an effort to encourage small local farmers to enter the market.	Small cultivators licensed one month before other cultivators. The application for small cultivator licenses shall be prioritized over larger cultivation licenses during the initial application period.	Senate agrees to House proposal.	
Cultivation	Cultivation		
Board must adopt rules regarding:	Board must adopt rules regarding:	Senate agrees to House proposal.	
• Restrictions on the use by cultivators of	• Pesticides or classes of pesticides that		

pesticides that are injurious to human health.	may be used by cultivators, provided that any rules adopted under this subdivision shall comply with and shall be at least as stringent as the Agency of Agriculture, Food and Markets' Vermont Pesticide Control Regulations.		
• Standards for indoor and outdoor cultivation of cannabis, <i>including</i> <i>environmental</i> <i>protection</i> <i>requirements</i> .	• Standards for indoor cultivation of cannabis.		
	A cannabis establishment shall not be regulated as "farming" under the Required Agricultural Practices and cannabis produced from cultivation shall not be considered an agricultural product or agricultural crop. The cultivation, processing, and manufacturing of cannabis must comply with all applicable State, federal, and local environmental, energy, or public health law, unless otherwise provided. A cannabis	Senate would like more discussion of this issue.	
	establishment shall be subject to regulation

Employee training	Employee training		

A licensee shall ensure that each employee involved in the sale of cannabis completes a training program approved by the Board prior to selling cannabis and at least once every 24 months thereafter. A licensee shall keep a written record of the type and date of training for each employee, which shall be signed by each employee. A licensee may comply with this requirement by conducting its own training program on its premises, using information and materials furnished by the Board. A licensee who fails to comply with the requirements of this section shall be subject to a suspension of not less than one day of the license issued under this chapter.	Same, but adds: <i>The</i> <i>training shall include</i> <i>information about the</i> <i>health effects of the use</i> <i>of cannabis and</i> <i>cannabis products.</i>	Senate agrees with the House proposal.	
Excise tax A 16% cannabis excise tax is established and applies to the retail sale of cannabis and cannabis products sold by retailers and integrated licensees.	Excise tax A 14% cannabis excise tax is established and applies to the retail sale of cannabis and cannabis products sold by retailers and integrated licensees.	Senate proposes a 14% cannabis excise tax is established and applies to the retail sale of cannabis and cannabis products sold by retailers and integrated licensees, provided that 2% is designated for municipalities that have a licensed cannabis establishment and would be sent to towns based on a formula that takes	House does not agree.

Monies go to the General Fund.	30% of cannabis excise tax revenue is dedicated to funding substance misuse prevention programming as recommended by the Substance Misuse Prevention Oversight and Advisory Council and remaining monies go to the General Fund.	into account the number and type of licensees in that town and their impact. Senate proposes 30% of cannabis excise tax revenue with a cap of \$10m goes to GF and dedicated to funding substance misuse prevention programming.	House agrees.
Sales tax Exempts all sales of cannabis and cannabis products from the six percent sales and use tax.	Sales tax The 6% general sales tax applies to the retail sale of cannabis and cannabis products sold by retailers and integrated licensees. The revenues from the sales tax raised on the sale of cannabis products is required to be segregated from other sales tax revenue and earmarked for grants to start and expand afterschool and summer learning opportunities. On November 15, 2021 and every subsequent November 15, the Agency of Education is required to propose grants for afterschool and summer learning opportunities in an amount equal to the annual revenue forecasted to be raised	Senate agrees with the House proposal.	

	by the sales tax on cannabis.		
Local option tax	Local option tax		
Creates a 2% cannabis local option tax on retail sales of cannabis and cannabis products (including food and beverages) to be paid by the purchaser to the retailer. Can be adopted by any municipality that has not prohibited the retail sale of cannabis and cannabis products.	NA – See Local Control.	<mark>See excise tax</mark> .	House does not agree.

caregivers to purchase		
cannabis and cannabis		
products without leaving		
their vehicles;		
(5) produce and sell		
cannabis and cannabis		
products that have a		
higher THC content than		

is permitted for a cannabis establishment; (6) produce and sell cannabis products that may not otherwise be permitted for a cannabis establishment, but that would be appropriate for use by a patient as determined by the Board through rulemaking; and (7) sell larger quantities of cannabis and cannabis products than is permitted for a cannabis establishment.			
NA	Creates new integrated license available only to existing dispensaries. "An integrated license allows the dispensary to engage in the activities of a cultivator, wholesaler, product manufacturer, retailer, and testing laboratory under one license.	Senate agrees to the House proposal.	
NA	Integrated licensees, small cultivators, and testing labs would receive priority licensing and small cultivators may begin selling cannabis to integrated licensees as soon as they have cultivated product under the new license. An integrated licensee may begin selling cannabis and cannabis products transferred or purchased from a dispensary immediately.	Senate agrees to the House proposal.	

Highway safety		
The amendment makes Advanced Roadside Impaired Driving Enforcement (ARIDE) training a part of basic law enforcement training and directs Training Council to provide 16 hours of training to all officers by the end of 2021.	Senate agrees to the House proposal.	
Saliva is added to the definition of evidentiary test for impaired driving.	Senate does not agree with the House proposal.	House does not agree.
The amendment codifies the presumptive admissibility of field sobriety test results and Driving Recognition Expert (DRE) evaluation results.	Senate agrees to the House proposal.	
Evidentiary saliva tests are added to the implied consent statute in the same manner as blood tests. Drivers are deemed to have given consent to the evidentiary testing of their saliva if law enforcement has reason to believe they are operating under the influence. Law enforcement must obtain a warrant for the test, just as they must obtain a warrant for an	Senate does not agree with the House proposal.	House does not agree.

	A refusal to submit to an evidentiary saliva test would be permitted to be introduced as evidence in a criminal proceeding (same is true for a blood sample).		
NA	The amendment adds EMTs and paramedics to the list of professionals authorized to take a blood sample and specifies that a blood sample shall not be withdrawn at roadside. Law enforcement certified by the Training Council would be permitted to obtain a saliva sample, provided it is not taken roadside.	This provision passed in the T-bill and is current law.	
NA	The amendment requires a person to make arrangements for his or her own independent chemical analysis of an evidentiary sample of blood or saliva.	Senate agrees to the House proposal, but not for saliva.	
NA	The Department of Public Safety (DPS) is required to report to standing committees by January 2021 regarding a plan to establish geographic equity in distribution of DREs across the State and a plan to expand the DRE program to the extent allowed by credentialing bodies.	Senate agrees to the House proposal.	
NA	Upon identifying a threshold level of concentration of a	Senate agrees to the House proposal.	

	psychoactive metabolite of cannabis in a person's bloodstream to establish impairment and approving a chemical testing device for roadside use capable of demonstrating such a threshold level of concentration of such psychoactive metabolite of cannabis in a person's system, the Department of Public Safety shall report to the House and Senate Committees on Judiciary and on Government Operations on a proposal to implement the use of such a device to evaluate individuals suspected of operating under the influence of marijuana.		
NA	Provides for primary enforcement of seat belt laws for persons 18 years of age and older.	Senate does not agree to the House proposal.	House does not agree.
NA	Requires the Vermont Criminal Justice Training Council to report to the General Assembly on or before the 15th day of January in 2022, 2023, and 2024 regarding traffic stop data and safety belt enforcement for the previous fiscal year.	Senate agrees to the House proposal.
