

(h) Advisory committee. The Board shall establish an advisory committee composed of members with expertise and knowledge relevant to the Board's mission. The advisory committee shall include, at a minimum, individuals with expertise in business management or regulatory compliance; public health; substance misuse prevention; agriculture, horticulture, or plant science; public safety; criminal justice reform; systemic social justice and equity issues; women and minority-owned business ownership; laboratory science or toxicology; municipal issues; and the cannabis industry. The Board may establish subcommittees within the advisory committee to accomplish its work.
