

Beck, et. al., Amendment to S.54

February 26, 2020

- Strikes requirement (as recommended by Committee on Appropriations) that sales and use tax revenue raised on the sale of cannabis products be segregated from other sales tax revenue and earmarked for grants to start and expand after school and summer learning opportunities.
- Removes reporting requirement for Agency of Education to propose annual grant funding for after school and summer learning opportunities using revenues from sales tax on cannabis.
