2 size involved for a bronze-level plan offered through the Vermont Health
3 Benefit Exchange in the calendar year with or within which the taxable
4 year ends.

5 (b) Monthly payment amounts. For purposes of subdivision (a)(1) of this
6 section, the monthly penalty amount with respect to any taxpayer for any

9 determined pursuant to subdivisions (1) and (2) of this subsection:

10 (1) Flat dollar amounts. An amount equal to the lesser of:

5 (2) Notwithstanding the provisions of subdivision (1) of this subsection,
6 if an applicable individual has not attained 18 years of age as of the beginning
7 of a month, the applicable dollar amount with respect to that individual shall be
8 equal to one-half of the applicable dollar amount for the calendar year in which
9 the month occurs.

10 § 10455. EXEMPTIONS

11 No penalty shall be imposed pursuant to section 10453 of this chapter with
12 respect to any of the following:

13 (1) Individuals who cannot afford coverage.

14 (A) No penalty shall be imposed on any applicable individual for any
15 month if the individual's household income is below 400 percent of the federal
16 poverty level and individual's required contribution, determined on an annual
17 basis, for coverage for the month exceeds 8.3 percent of the individual's
18 household income for the taxable year. For purposes of this subdivision (A),
19 the taxpayer's household income shall be increased by any exclusion from
20 gross income for any portion of the required contribution made through a
21 salary reduction arrangement.

1 (B)(i) As used in this subdivision (1), “required contribution” means:

2 (I) in the case of an individual eligible to purchase minimum
3 essential coverage through an eligible employer-sponsored plan, the portion of
4 the annual premium that would be paid by the individual for self-only
5 coverage; and

6 (II) in the case of an individual eligible only to purchase
7 minimum essential coverage in the individual market, the annual premium for
8 the lowest-cost bronze-level plan available through the Vermont Health
9 Benefit Exchange, reduced by the amount of the federal premium tax credit for
10 which the individual would be eligible under 26 U.S.C. § 36B and the amount
11 of Vermont premium assistance available to the individual under 33 V.S.A.
12 § 1812(a).

13 (ii) For purposes of subdivision (i)(I) of this subdivision (1)(B), if
14 an applicable individual is eligible for minimum essential coverage through an
15 employer by reason of a relationship to an employee, the determination under
16 subdivision (A) of this subdivision (1) shall be made by reference to the
17 required contribution of the employee.

18 (C) For each plan year after 2020, the percentage in subdivision (A)
19 of this subdivision (1) shall be substituted with the percentage that the
20 Commissioner of Financial Regulation, in consultation with the Commissioner
21 of Vermont Health Access and the Chair of the Green Mountain Care Board,

1 determines reflects the excess of the rate of premium growth for health benefit
2 plans between the preceding calendar year and 2018 over the rate of income
3 growth in this State for the same period.

4 (2) Taxpayers with lower income. No penalty shall be imposed on any
5 applicable individual for any month during a calendar year if the individual's
6 household income for the most recent taxable year for which the Department
7 of Taxes determines information is available is less than 200 percent of the
8 federal poverty level.

9 (3) Members of Indian tribes. No penalty shall be imposed on any
10 applicable individual for any month during which the individual is a member
11 of an Indian tribe as defined in 26 U.S.C. § 45A(c)(6).

12 (4) Months during short coverage gaps.

13 (A) No penalty shall be imposed for any month the last day of which
14 occurred during a period in which the applicable individual was not covered by
15 minimum essential coverage for a continuous period of three months or less.

16 For purposes of this subdivision (4), the length of a continuous period shall be
17 determined without regard to the calendar years in which the months of the
18 period occurred.

19 (B) If a continuous period is greater than three months, no exemption
20 shall be provided for any month in the period.

1 (C) If an applicable individual was not covered by minimum essential
2 coverage for more than one continuous period of three months or less during
3 the same calendar year, the exemption provided by this subdivision (4) shall
4 apply only to the months in the first of such periods.

5 (D) The Commissioner of Taxes, in consultation with the
6 Commissioner of Financial Regulation, shall adopt rules pursuant to 3 V.S.A.
7 chapter 25 for collecting the penalty imposed by section 10453 of this chapter
8 in cases in which a continuous period includes months in more than one
9 taxable year.

10 (5) Hardships.

11 (A) No penalty shall be imposed on any applicable individual who
12 for any month is determined by the Commissioner of Vermont Health Access
13 to have suffered a hardship with respect to the capability to obtain coverage
14 under a qualified health plan, including if there is no affordable qualified
15 health plan available through the Vermont Health Benefit Exchange or through
16 the individual's employer to cover the individual, or if the individual meets the
17 requirements for any other hardship exemption established by the
18 Commissioner of Vermont Health Access by rule.

19 (B) The Commissioner of Vermont Health Access shall adopt rules
20 pursuant to 3 V.S.A. chapter 25 defining the additional circumstances under
21 which an applicable individual shall be deemed to have suffered a hardship

1 under this subdivision (5) and setting forth the process for obtaining an
2 exemption from the penalty.

3 (6) Nonresidents. Exemption for Vermont income tax filers who are not
4 Vermont residents?

5 § 10456. RELIGIOUS EXEMPTIONS

6 An individual shall be exempt from the requirement to maintain minimum
7 essential coverage and shall not be subject to a penalty under this chapter for
8 any month if the individual has in effect an exemption from the Commissioner
9 of Vermont Health Access certifying that the individual is:

10 (1)(A) a member of a recognized religious sect or division thereof that is
11 described in 26 U.S.C. § 1402(g)(1) and is an adherent of established tenets or
12 teachings of that sect or division; or

13 (B) a member of a religious sect or division thereof that is not
14 described in 26 U.S.C. § 1402(g)(1), who relies solely on a religious method of
15 healing, and for whom the acceptance of medical health services would be
16 inconsistent with the individual's religious beliefs.

17 (2) As used in this section, “medical health services” does not include
18 routine dental, vision, and hearing services; midwifery services; vaccinations;
19 necessary medical services provided to children; services required by law or by
20 a third party; and such other services as the Commissioner of Vermont Health
21 Access may provide in implementing this chapter.

1 § 10457. ADMINISTRATION AND PROCEDURE

2 (a) Generally.

3 (1) The penalty provided in section 10453 of this chapter shall be paid
4 upon notice and demand by the Department of Taxes and, except as provided
5 in subdivision (2) of this subsection, shall be assessed and collected in the
6 same manner as an assessable penalty under chapter 151 of this title.

7 (2) Notwithstanding any provision of law to the contrary:

8 (A) in the case of any failure by a taxpayer to pay timely any penalty
9 imposed by this chapter, the taxpayer shall not be subject to any criminal

11 (B) the Commissioner of Taxes shall not:

12 (i) file notice of lien with respect to any property of a taxpayer by
13 reason of any failure to pay the penalty imposed by this chapter; or

14 (ii) levy on any such property with respect to such failure.

15 (b) Reporting coverage.

16 (1) Each applicable individual who files or is required to file an
17 individual income tax return as a resident of Vermont, either separately or
18 jointly with a spouse, shall indicate on the return, in a manner prescribed by
19 the Commissioner of Taxes, whether the individual:

20 (A) had minimum essential coverage in effect for each of the 12
21 months of the taxable year for which the return is filed as required by section

1 10452 of this chapter, whether covered as an individual or as a named
2 beneficiary of a policy covering multiple individuals; or

3 (B) claims an exemption under section 10455 or 10456 of this
4 chapter.

5 (2) Unless exempted from the penalty pursuant to section 10455 or
6 10456 of this chapter, a penalty shall be assessed on the return if:

7 (A) the applicable individual fails to indicate on the return as
8 required by subdivision (1) of this subsection (b) or indicates that he or she did
9 not have minimum essential coverage in effect; or

10 (B) the applicable individual indicates that he or she had minimum
11 essential coverage in effect but the Commissioner of Financial Regulation, in
12 consultation with the Commissioner of Vermont Health Access and the Chair
13 of the Green Mountain Care Board, determines, based on the information
14 available to him or her, that the requirement to maintain minimum essential
15 coverage was not met.

16 (c) Collection of penalties. The Department of Taxes shall have all
17 enforcement and collection procedures available under chapter 151 of this title
18 to collect any penalties assessed pursuant to this chapter. All penalties
19 assessed pursuant to this chapter shall be deposited into the State Health Care
20 Resources Fund established by 33 V.S.A. § 1901d.

1 (1) If in any taxable year, in whole or in part, a taxpayer does not
2 comply with the requirement to maintain minimum essential coverage, the
3 Commissioner shall retain any amount overpaid by the taxpayer for purposes
4 of making payments; provided, however, that the amount retained shall not
5 exceed 50 percent of the premium for the lowest-cost bronze-level qualified
6 health benefit plan offered through the Vermont Health Benefit Exchange
7 during the previous year.

8 (2) If the amount retained pursuant to subdivision (1) of this subsection
9 is insufficient to satisfy the penalty assessed, the Commissioner shall notify the
10 taxpayer of the balance due on the penalty and any related interest.

11 (d) Appeals. Any applicable individual shall have the right to appeal a
12 penalty collected pursuant to section 10453 of this chapter or the denial of an
13 exemption pursuant to section 10455 or 10456 of this chapter.

14 (e) Rulemaking. The Commissioner of Taxes, in consultation with the
15 Department of Financial Regulation, the Department of Vermont Health
