

Bi-State Primary Care Association Members

Our members as a network ensure that all Vermonters have access to comprehensive primary & preventive care, regardless of where they live, insurance status, or ability to pay.

Our Membership Includes:

- ✓ Federally Qualified Health Centers (FQHCs):
Vermont FQHCs have 66 sites in all 14 counties
- ✓ Planned Parenthood of Northern New England:
12 clinics
- ✓ Rural Health Clinics: 1 site
- ✓ Vermont Area Health Education Center (AHEC):
A Network of Partners
- ✓ Vermont Coalition of Clinics for the Uninsured:
9 clinics

Our Members Provide Care to 1 in 3 Vermonters

Vermont's health centers and clinics have served as medical homes for more than 200,000 patients, with more than 620,000 visits in 2017. They focus on the social determinants of health and the wellness of their communities. They provide a range of services including "one-stop" primary care, preventive care, oral health, mental health, substance use, nutrition, vision, and other services.

Our Members Serve

- 37% of Vermont Medicaid enrollees
- 32% of Vermont Medicare enrollees
- The majority of uninsured Vermonters

Our members provide care in 88 sites across VT
