

To Senate Judiciary Committee

S.169 is yet another attempt to apply a well-intended but mis-guided solution to a non-existent problem. The real agenda behind this and similar proposals is to impose the will of the minority on the rights of the majority. Please vote no on all gun-control legislation as nothing proposed to date will be helpful, legal, or without major negative impact on law-abiding citizens.

Thank you,

Frank Jannarone
