TO THE HOUSE OF REPRESENTATIVES:

The Committee on Judiciary to which was referred Senate Bill No. 219 entitled “An act relating to addressing racial bias and excessive use of force by law enforcement” respectfully reports that it has considered the same and recommends that the House propose to the Senate that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. LEGISLATIVE INTENT

(a) This act is a continuation of the General Assembly’s work over the past several years to create meaningful reforms to address any systemic racism and disproportionate use of force by law enforcement. Such reforms include 2017 Acts and Resolves No. 54, an act relating to the Racial Disparities in the Criminal and Juvenile Justice System Advisory Panel; 2018 Acts and Resolves No. 9, an act relating to racial equity in State government; 2013 Acts and Resolves No. 180, an act relating to a statewide policy on the use of and training requirements for electronic control devices; and 2017 Acts and Resolves No. 56, an act relating to the professional regulation of law enforcement officers by the Vermont Criminal Justice Training Council. The ongoing effort includes the work on S.338 (2020), an act relating to justice reinvestment, a data-driven approach to improve public safety, reduce criminal justice spending, and reinvest savings in strategies that can decrease crime and
reduce recidivism. Additionally, the legislative committees of jurisdiction continue to study law enforcement policies, training standards, and discipline, including accreditation through the Commission on Accreditation for Law Enforcement Agencies within the next five years, and work on updating a model policy for the use of body cameras. Therefore, this act represents one step in the General Assembly’s ongoing effort to combat racial bias and increase transparency and accountability in policing. The General Assembly is committed to continually assessing the progress made by the State towards developing a system of public safety that is effective, equitable, and maintains the public trust and continuing its work to achieve that goal.

(b) It is the intent of the General Assembly that law enforcement agencies in Vermont use community policing strategies that develop collaborative partnerships between law enforcement and communities consistent with the pillars of 21st Century Policing as developed by President Obama’s Task Force on 21st Century Policing, adopt policies and practices that reflect a guardian mindset towards the citizens they serve, and establish a culture of transparency and accountability to promote public safety and foster public trust. To this end, it is the intent of the General Assembly that law enforcement use de-escalation strategies first and foremost before using force in every community-police interaction.
(c) It is the intent of the General Assembly that it continue to work on the
issues addressed in this bill, including when the 2020 legislative session
reconvenes in August. Specifically, the General Assembly commits to
working on:

(1) increasing the resources to and authority of the Executive Director of
Racial Equity;

(2) resituating the Criminal Justice Training Council to the jurisdiction
of the Department of Public Safety;

(3) evaluating the provisions of Sec. 6 of this act (law enforcement use
of prohibited restraint), 13 V.S.A. § 2305, and 24 V.S.A. § 299 in consultation
with interested stakeholders, including the Attorney General, the Executive
Director of States Attorneys and Sheriffs, the Defender General, and the
Executive Director of the Human Rights Commission, or their designees, and
revising those provisions as appropriate;

(4) evaluating whether and how to gather data regarding the interactions
between law enforcement and people with mental health issues;

(5) reviewing the Law Enforcement Advisory Board and ACLU model
policies governing law enforcement use of body cameras in consultation with
interested stakeholders, including the Vermont chapter of the American Civil
Liberties Union, the Racial Disparities in the Criminal and Juvenile Justice
System Advisory Panel, and the Secretary of State, and developing a statewide policy for adoption prior to the effective date of Sec. 7 of this act; and

(6) considering recommendations that come forward through a process of meaningful community engagement, particularly with impacted, marginalized, and vulnerable communities.
