Sec. 7. EXPUNGEMENT OF MARIJUANA CRIMINAL HISTORY RECORDS

(a) As used in this section:

(1) “Court” means the Criminal Division of the Superior Court.

(2) “Criminal history record” means all information documenting an individual’s contact with the criminal justice system, including data regarding identification, arrest or citation, arraignment, judicial disposition, custody, and supervision.

(b) The court shall order the expungement of criminal history records of violations of 18 V.S.A. § 4230(a)(1) that occurred prior to July 1, 2020. The process for expunging these records shall be completed not later than July 1, 2021.

(c) Upon entry of an expungement order, the order shall be legally effective immediately and the person whose record is expunged shall be treated in all respects as if he or she had never been arrested, convicted, or sentenced for the offense. The court shall issue an order to expunge all records and files related to the arrest, citation, investigation, charge, adjudication of guilt, criminal proceedings, and probation related to the sentence. The court shall issue the person a certificate stating that the offense for which the person was convicted has been decriminalized and therefore warrants issuance of the order and that its effect is to annul the record of arrest, conviction, and sentence. The court shall provide notice of the expungement to the respondent, Vermont Crime Information Center (VCIC), the arresting agency, and any other entity that may

have a record related to the order to expunge. The VCIC shall provide notice of the expungement to the Federal Bureau of Investigation's National Crime Information Center.

The index shall list only the name of the person convicted of the offense, his or her date of birth, the docket number, and the criminal offense that was the subject of the expungement.

(2) The special index and related documents specified in subdivision (1) of this subsection shall be confidential and shall be physically and electronically segregated in a manner that ensures confidentiality and that limits access to authorized persons.
