

- Kathleen Guinness
- * Active member of P.O. Box 152 E
- R.C.A.S. for 7 yr.
- sec. - V.P. Pres
- lifelong interest in birds since cedar waxwings nested in front yard
- Writing notes while watching birds at my feeder - Always concerned for them - they are so fragile in many ways - always aware of how precarious their lives are
- as pres. ^{Hummingbird} we have a very dedicated

- 2
- Bd of 14 members
 - We have over 200 members & over 300 on our mailing list.
 - We attract from 10-30 on our monthly marsh walks. And about the same for our programs
-
- Current projects
- building a new portion of trail at O.B.A
 - advocating for

- 3
- protection of a water shed property that may be sold - we have seen 48 species of birds of concern near there -
-
- Past advocated for property next to wetland where C. Bay gas station was proposed
-
- Goals this year
- Chimney Swift Tower
 - Cemetery watch
 - Pollinator Gardens

- 4 -
- Getting college students involved
-
- Monitoring marsh
 - Velco Survey
 - Peregrine F monitoring
 - Eagle watch
 - CBC
 - Century Count
 - Whippoorwill survey
 - * ^{BioBlitz} B. Boliate Proj.
-
- We need authority to say either don't do that or do this to protect nests
