

S.149; autonomous vehicles section

Amendment proposed by the VT Association for Justice

(9) "Operator" means (a) **an automated vehicle tester, and** (b) an individual employed by or under contract with an automated vehicle tester who has successfully completed the tester's training on safe driving and the capabilities and limitations of the automated vehicle and automated driving system, can take immediate manual or remote control of the automated vehicle being tested, is 21 years of age or older, and holds an operator's license for the class of vehicle being tested.
