H.439

Representative Leffler of Enosburgh moves that the bill be amended by inserting a Sec. 1a to read as follows:

Sec. 1a. 33 V.S.A. § 2501(d) is added to read:

(d) Notwithstanding any other provision of law, appropriations for the Home Weatherization Assistance Program under this subchapter shall not be increased any more than once every five years.

and that after passage the title of the bill be amended to read: “An act relating to weatherization funded through carbon taxation”
