

Issues in Administration's Miscellaneous Tax proposals, but not in H.922:

- Composite filing change (Sec. 1)
- Attempted fraud language (Sec. 4)
- Nonresidential to nonhomestead (Sec. 11)
- Reappraisals for towns with CLA over 120 (Sec. 13)
- 999 year change to perpetual leases (Sec. 17)
- Land use change tax changes (Sec. 19)
- Disclosure for tobacco settlement (Sec. 30)
- Interest calculations (Sec. 31)
- Fuel gross receipts tax (Sec. 41-42)

Issues in H.922, but not in Administration's Miscellaneous Tax proposals:

- Changing the calculation of stormwater fees
- Changing the billback formula for Green Mountain Care Board
- Annual tax link up language
- Increasing the amount of credit allocations for the First Time Homeowner Program
- Raising the annual cap on the Downtown tax credit
- Taxing e-cigarettes
- Extending the meals tax exemption for fire department and EMS groups who serve meals off premise
- Minor changes to the Land Gains Tax certification process
