7-8	<p>Rooms Tax</p> <ul style="list-style-type: none">• Includes “booking agents” in definition of “operator” and “rent” so that whoever collects the rent for a sleeping accommodation must collect and remit the rooms tax on the entire amount or rent they collect.• The effect would be to bring online travel companies and short term rental platforms within the rooms tax.	
9-15	<p>Property Transfer Tax</p> <ul style="list-style-type: none">• Changes the definitions to make it clear that the transfer of a controlling interest in a legal entity that holds real property triggers liability for the tax.• A controlling interest is 50 percent or more of the controlling stock or interest in the entity.• The tax is applied to value of the property held by the entity, apportioned to reflect the percentage of ownership interest that was transferred.• If more than one person is acting in concert, their interests are aggregated for the purpose of determining a controlling interest and their liability for the tax.	
16	<p>Land gains tax</p> <ul style="list-style-type: none">• Changes definition of “land” so that the tax only applies to land that is purchased and subdivided in the six years prior to the sale or exchange.• If a sale or exchange of property is for land that falls outside of this definition, there is no obligation to file or withhold.	
17	<p>Fuel tax</p> <ul style="list-style-type: none">• Changes language to include taxpayers who may have been let out of the tax under the 2015 amendments.	
18	<p>Tax Computer Modernization</p> <ul style="list-style-type: none">• Sets at 30 percent the amount of incremental tax receipts that go into the tax modernization fund.	
19	<p>Effective dates.</p>
