NHTSA/GHSP funds for cruiser cameras pending a waiver to meet "buy American" federal requirements. Second priority is for cruiser cameras if a waiver is denied. ~~Body cameras~~ The replacement of firearms, patrol rifles, portable radio equipment, and less-lethal weapons may be purchased with any remaining funds.

**EXPLANATION:** Cruiser camera purchases were completed leaving an appropriation balance of \$561,782. However, body camera data storage costs were determined to be prohibitive. **EXPLANATION:** Sections 7a through 7k are required in order to transition the State Health Care Resources Fund to the General Fund as permitted in the 2018 Acts and Resolves No. 11 (Special Session), Section D.108.

**EXPLANATION:** Standard language (see last year: 2018 Act 87, Sec. 42).

#### **Sec. 9. SUPPLEMENTAL MAINTENANCE SPENDING**

(a) Notwithstanding 32 V.S.A. § 706 and the limits on program, project, or activity spending authority approved in the fiscal year 2019 Transportation Program, the Secretary of Transportation, with the approval of the Secretary of Administration and subject to the provisions of subsection (b) of this section, may transfer up to \$2,500,000.00 in Transportation Fund appropriations, other than appropriations for the Town Highway State Aid, Structures, and Class 2 roadway programs, to the Transportation – Maintenance State System (8100002000)

appropriation, for the specific purpose of addressing the overall cost of highway maintenance during fiscal year 2019.

(b)(1) If a contemplated transfer of an appropriation would not significantly delay the planned work schedule of a project, the Secretary may execute the transfer and shall give prompt notice thereof to the Joint Fiscal Office and to the House and Senate Committees on Transportation when the General Assembly is in session and, when the General Assembly is not in session, to the Joint Fiscal Office and the Joint Transportation Oversight Committee.

(2) If a contemplated transfer of an appropriation would, by itself, significantly delay the planned work schedule of a project, the Secretary:

(A) when the General Assembly is in session, may execute the transfer, but shall give the House and Senate Committees on Transportation advance notice of at least 10 business days prior to executing the transfer; or

(B) when the General Assembly is not in session, may execute the transfer, but shall give prompt notice of the transfer to the Joint Fiscal Office and the Joint Transportation Oversight Committee.

(c) This section shall be repealed on July 1, 2019.

**EXPLANATION:** Provides authority to transfer Transportation Funds from other Agency of Transportation appropriations to the Maintenance appropriation to provide higher service levels.

~~To the extent that~~ The sum of \$200,000.00 is appropriated in fiscal year 2019 from the General Fund Tobacco Litigation Settlement Fund to the Department for Children and Families pursuant to 2018 Act and Resolves No. 11 (Special Session), Sec.C.105.1(a)(10).; Accordingly, the Department shall prepare for the expansion of services to juvenile offenders 18 and 19 years of age pursuant to 33 V.S.A. chapters 52 and 52A beginning in fiscal year 2021, and shall carry forward any unexpended funds.

**EXPLANATION:** Accomplishes the technical adjustment to Act 201 required by the July 16, 2018 Statement of Legislative Intent regarding the appropriation of Tobacco Litigation Settlement funds for this purpose via Act 11.

**Sec. 11.** 2018 Acts and Resolves No. 194, Section 26a(b) is amended to read:

**EXPLANATION:** Accomplishes the technical adjustment to Act 194 required by the July 16, 2018 Statement of Legislative Intent due to the changes made to funding sources and uses of the Education Fund via Sections H.8 and H.9 of Act 11.

**Sec. 12.** 16 V.S.A. Section 4026(e) is amended to read:

(e) The enactment of this chapter and other provisions of the Equal Educational Opportunity Act of which it is a part have been premised upon estimates of balances of revenues to be raised and expenditures to be made under the act for such purposes as adjusted education payments, categorical State support grants, provisions for property tax income sensitivity, payments in lieu of taxes, current use value appraisals, tax stabilization agreements, the stabilization reserve established by this section and for other purposes. If the stabilization reserve established under this section should in any fiscal year be less than ~~3.5~~ 5.0 percent of the prior fiscal year's appropriations from the Education Fund, as defined in subsection (b) of this section, the Joint Fiscal Committee shall review the information provided pursuant to 32 V.S.A. § 5402b and provide the General Assembly its recommendations for change necessary to restore the stabilization reserve to the statutory level provided in subsection (b) of this section.

**EXPLANATION:** Both the Administration and the Joint Fiscal Office agree that under the Education Fund revenue structure in place effective with Act 11, the appropriate stabilization reserve level should be 5.0%.

**Sec. 13.** HOLD HARMLESS; PREKINDERGARTEN EQUALIZED PUPIL COUNT

(a) The Agency of Education shall adjust the long-term membership of a school district under 16 V.S.A. § 4010, which is used in determining the district’s equalized pupil count, for a school district that:

(1) in school year 2017-2018 erroneously paid public dollars to a prekindergarten program that was ineligible under 16 V.S.A. § 829 to receive public funds and as a result overreported its average daily membership prekindergarten count for that year to the Agency of Education; and

(2) corrected for this overreporting by correspondingly decreasing its 2017-2018 school year average daily membership prekindergarten count in a subsequent report to the Agency of Education.

(b) The Agency of Education shall adjust the long-term membership of a school district that qualifies under subsection (a) of this section by increasing its average daily membership prekindergarten count for the 2017-2018 school year by the amount it overreported for the 2017-2018 school year.

**EXPLANATION:** This proposed language would allow districts who erroneously paid PreK funds to a program that was not prequalified to nevertheless count those students in their average daily membership. It is necessary to hold these districts harmless as they had no reason to know that a PreK partner program was not prequalified and therefore acted in good faith.

**Sec. 14.** 16 V.S.A. § 2857 is amended to read:

§ 2857. VERMONT NATIONAL GUARD TUITION BENEFIT PROGRAM

\* \* \*

(c) Eligibility. To be eligible for the Program, an individual, whether a resident or nonresident, shall satisfy all of the following requirements:

\* \* \*

(6) have ~~exhausted any~~ used available post-September 11, 2001 tuition benefits and other federally funded military tuition assistance; provided, however, that this subdivision shall not apply to:

(A) tuition benefits and other federally funded military tuition assistance for which the individual has not yet earned the full amount of the benefit or tuition;

(B) Montgomery GI Bill benefits;

(C) post-September 11, 2001 educational program housing allowances;

- (D) federal educational entitlements;;
- (E) National Guard scholarship grants;;
- (F) loans under section 2856 of this title; and
- (G) other nontuition benefits; and

\* \* \*

**EXPLANATION:** The VERMONT NATIONAL GUARD TUITION BENEFIT PROGRAM was included in the last budget and was designed as a last dollar program to be used after available federal funds have been used. However, certain federal funding programs are also last dollar programs, so it became unclear how this State program would work with these federal programs. Therefore, the attached language modifies the language adopted in the last budget to permit State funds to be used where the federal benefit is not yet fully vested.

**Sec. 15.** 2018 Acts and Resolves No. 11 (Special Session), Sec. H.12 is amended to read:

(a) An eligible claimant who owned the homestead on April 1 of the year in which the claim is filed shall be entitled to an adjustment amount determined as follows:

\* \* \*

(5) In no event shall the credit provided for in subdivision (3) or (4) of this subsection exceed the amount of the reduced property tax. The adjustments under subdivisions ~~(3) and (4)~~ of this subsection shall be calculated considering only the tax due on the first \$400,000.00 in equalized housesite value.

\* \* \*

**EXPLANATION:** Sec.H.12 of Act 11 separated the municipal and educational portions of the homeowner rebate program with a focus on the changes being revenue neutral. The requested language change would accomplish revenue neutrality by having the value cap apply only to the Ed. tax credit when determining if the tax credit provided exceeds the reduced tax amount (i.e., separation of municipal and statewide ed tax credit caps).

**Sec. 16** EFFECTIVE DATES

(a) Notwithstanding 1 V.S.A. § 214 or any other act or provision, Secs. 7a–7g (State Health Care Resources Fund), 7i (32 V.S.A. § 10503, J (33 V.S.A. § 1951), and 7k (33 V.S.A. § 1956) and Sec. 14. amending 16 V.S.A. § 2857 shall take effect upon passage and apply retroactively to July 1, 2018.

(b) This section and all remaining sections shall take effect upon passage.
