TO THE HONORABLE SENATE:

The Committee on Health and Welfare to which was referred House Bill No. 960 entitled "An act relating to miscellaneous health care provisions" respectfully reports that it has considered the same and recommends that the Senate propose to the House that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

* * * Mental Health * * *

Sec. 1. 18 V.S.A. § 9375 is amended to read:

§ 9375. DUTIES

(a) The Board shall execute its duties consistent with the principles expressed in section 9371 of this title.

(b) The Board shall have the following duties:

* * *

(15) ~~Collect and review data from each psychiatric hospital licensed pursuant to chapter 43 of this title, which may include data regarding a psychiatric hospital's scope of services, volume, utilization, discharges, payer mix, quality, coordination with other aspects of the health care system, and financial condition. The Board's processes shall be appropriate to psychiatric hospitals' scale and their role in Vermont's health care system, and the Board shall consider ways in which psychiatric hospitals can be integrated into systemwide payment and delivery system reform.~~

Collect and review data from each community mental health and developmental disability agency designated by the Commissioner of Mental Health or of Disabilities, Aging, and Independent Living pursuant to chapter 207 of this title, which may include data regarding a designated or specialized service agency's scope of services, volume, utilization, payer mix, quality, coordination with other aspects of the health care system, and financial condition, including solvency. The Board's processes shall be appropriate to the designated and specialized service agencies' scale and their role in Vermont's health care system, and the Board shall consider ways in which the designated and specialized service agencies can be integrated fully into systemwide payment and delivery system reform.

* * *

Sec. 2. 18 V.S.A. § 9451 is amended to read:

§ 9451. DEFINITIONS

As used in this subchapter:

(1) "Hospital" means a ~~general~~ hospital licensed under chapter 43 of this title, except a hospital that is conducted, maintained, or operated by the State of Vermont.

* * *

Sec. 3. HOSPITAL BUDGET REVIEW; TRANSITIONAL PROVISIONS

(a) For any hospital whose budget newly comes under Green Mountain Care Board review as a result of the amendments to 18 V.S.A. § 9451 made by Sec. 2 of this act, the Board may increase the scope of the budget review process set forth in 18 V.S.A. chapter 221, subchapter 7 for the hospital gradually, provided the Board conducts a full review of the hospital's proposed budget not later than the budget for hospital fiscal year 2024. In developing its process for transitioning to a full review of the hospital's budget, the Board shall collaborate with the hospital and with the Agency of Human Services to prevent duplication of efforts and of reporting requirements. The Board and the Agency shall jointly determine which documents submitted by the hospital to the Agency are appropriate for the Agency to share with the Board.

(b) In determining whether and to what extent to exercise discretion in the scope of its budget review for a hospital new to the Board's hospital budget review process, the Board shall consider:

(1) any existing fiscal oversight of the hospital by the Agency of Human Services, including any memoranda of understanding between the hospital and the Agency; and

(2) the fiscal pressures on the hospital as a result of the COVID-19 pandemic.

Sec. 4. MENTAL HEALTH INTEGRATION COUNCIL; REPORT

(a) Creation. There is created the Mental Health Integration Council for the purpose of helping to ensure that all sectors of the health care system actively participate in the State's principles for mental health integration established pursuant to 18 V.S.A. § 7251(4) and (8) and as envisioned in the Department of Mental Health's 2020 report "Vision 2030: A 10-Year Plan for an Integrated and Holistic System of Care."

(b) Membership.

(1) The Council shall be composed of the following members:

(A) the Commissioner of Mental Health or designee;

(B) the Commissioner of Health or designee;

(C) the Commissioner of Vermont Health Access or designee;

(D) the Commissioner for Children and Families or designee;

(E) the Commissioner of Corrections or designee;

(F) the Commissioner of Disabilities, Aging, and Independent Living or designee;

(G) the Commissioner of Financial Regulation or designee;

(H) the Director of Health Care Reform or designee;

(I) the Executive Director of the Green Mountain Care Board or designee;

(J) the Secretary of Education or designee;

(K) a representative, appointed by the Vermont Medical Society;

(L) a representative, appointed by the Vermont Association for Hospitals and Health Systems;

(M) a representative, appointed by Vermont Care Partners;

(N) a representative, appointed by the Vermont Association of Mental Health and Addiction Recovery;

(O) a representative, appointed by Bi-State Primary Care;

(P) a representative, appointed by the University of Vermont Medical School;

(Q) the Chief Executive Officer of OneCare Vermont or designee;

(R) the Health Care Advocate established pursuant to 18 V.S.A. § 9602;

(S) the Mental Health Care Ombudsman established pursuant to 18 V.S.A. § 7259;

(T) a representative, appointed by the insurance plan with the largest number of covered lives in Vermont;

(U) two persons who have received mental health services in Vermont, appointed by Vermont Psychiatric Survivors, including one person who has delivered peer services;

(V) one family member of a person who has received mental health services, appointed by the Vermont chapter of National Alliance on Mental Illness; and

(W) one family member of a child who has received mental health services, appointed by the Vermont Federation of Families for Children's Mental Health.

(2) The Council may create subcommittees comprising the Council's members for the purpose of carrying out the Council's charge.

(c) Powers and duties. The Council shall address the integration of mental health in the health care system, including:

(1) identifying obstacles to the full integration of mental health into a holistic health care system and identifying means of overcoming those barriers;

(2) helping to ensure the implementation of existing law to establish full integration within each member of the Council's area of expertise;

(3) establishing commitments from non-state entities to adopt practices and implementation tools that further integration;

(4) proposing legislation where current statute is either inadequate to achieve full integration or where it creates barriers to achieving the principles of integration; and

(5) fulfilling any other duties the Council deems necessary to achieve its objectives.

(d) Assistance. The Council shall have the administrative, technical, and legal assistance of Department of Mental Health.

(e) Report.

(1) On or before December 15, 2021, the Commissioners of Mental Health and of Health shall report on the Council's progress to the Joint Health Reform Oversight Committee.

(2) On or before January 15, 2023, the Council shall submit a final written report to the House Committee on Health Care and to the Senate Committee on Health and Welfare with its findings and any recommendations for legislative action, including a recommendation as to whether the term of the Council should be extended.

(f) Meetings.

(1) The Commissioner of Mental Health shall call the first meeting of the Council.

(2) The Commissioner of Mental Health shall serve as chair. The Commissioner of Health shall serve as vice chair.

(3) The Council shall meet every other month between October 1, 2020 and January 1, 2023.

(4) The Council shall cease to exist on July 30, 2023.

(g) Compensation and reimbursement. Members of the Council shall be entitled to per diem compensation and reimbursement of expenses as permitted

under 32 V.S.A. § 1010 for not more than six meetings annually. These payments shall be made from monies appropriated to the Department of Mental Health.

Sec. 5. BRATTLEBORO RETREAT; CONDITIONS OF STATE FUNDING

(a) Findings. In recognition of the significant need within Vermont's health care system for inpatient psychiatric capacity, the General Assembly has made significant investments in capital funds and in rate adjustments to assist the Brattleboro Retreat in its financial sustainability. The General Assembly has a significant interest in the quality of care provided at the Brattleboro Retreat, which provides 100 percent of the State's inpatient psychiatric care for children and youth, and more than half of the adult inpatient care, of which approximately 50 percent is paid for with State funding.

(b) Conditions. As a condition of further State funding, the General Assembly requires that the following quality oversight measures be implemented by the Brattleboro Retreat under the oversight of the Department of Mental Health:

(1) allow the existing mental health patient representative under contract with the Department pursuant to 18 V.S.A. § 7253(1)(J) to have full access to inpatient units to ensure that the mental health patient representative is available to individuals who are not in the custody of the Commissioner;

(2) in addition to existing policies regarding the provision of certificates of need for emergency involuntary procedures, provide to the Department deidentified certificates of need for emergency involuntary procedures used on individuals who are not in the custody of the Commissioner; and

(3) ensure that the mental health patient representative be a regular presenter at the Brattleboro Retreat's employee orientation programming.

(c)(1) Patient experience and quality of care. To support proactive, continuous quality and practice improvement and to ensure timely access to high-quality patient care, the Department and the Brattleboro Retreat shall:

(A) to the extent feasible by the Department, meet jointly each month with the mental health patient representative contracted pursuant to 18 V.S.A. § 7253(1)(J) and the mental health care ombudsman established pursuant to 18 V.S.A. § 7259 to review patient experiences of care; and

(B) identify clinical teams within the Department and the Brattleboro Retreat to meet monthly for discussions on quality issues, including service delivery, clinical practices, practice improvement and training, case review, admission and discharge coordination, and other patient care and safety topics.

(2) On or before February 1, 2021, the Department shall report to the House Committee on Health Care and to the Senate Committee on Health and Welfare regarding patient experiences and quality of care at the Brattleboro Retreat.

(d)(1) On or before October 1, 2020, as part of the reporting requirements of the Sustainability Report between the Agency of Human Services and the Brattleboro Retreat , the Agency and the Brattleboro Retreat shall submit an interim report to the Joint Fiscal Committee, and to the Chairs of the Senate Committee on Health and Welfare and the House Committee on Health Care describing the steps that the Brattleboro Retreat is taking to improve communication and relations with its employees.

(2) On or before February 1, 2021, as part of the reporting requirements of the Sustainability Report between the Agency of Human Services and the Brattleboro Retreat, the Agency and the Brattleboro Retreat shall submit a final report to the Senate Committee on Health and Welfare and to the House Committee on Health Care describing the steps that the Brattleboro Retreat is taking to improve communication and relations with its employees, the Brattleboro Retreat's assessment of the effectiveness of those efforts, and how the Brattleboro Retreat plans to manage future communications and relations with its employees.

* * * VPharm Coverage Expansion * * *

Sec. 6. 33 V.S.A. § 2073 is amended to read:

§ 2073. VPHARM ASSISTANCE PROGRAM

(a) ~~Effective January 1, 2006, the~~ The VPharm program is established as a State pharmaceutical assistance program to provide supplemental

pharmaceutical coverage to Medicare beneficiaries. The supplemental coverage under subsection (c) of this section shall provide ~~only~~ the same pharmaceutical coverage as the Medicaid program to enrolled individuals whose income is not greater than ~~150~~ 225 percent of the federal poverty guidelines ~~and only coverage for maintenance drugs for enrolled individuals whose income is greater than 150 percent and no greater than 225 percent of the federal poverty guidelines~~.

(b) Any individual with income ~~no~~ not greater than 225 percent of the federal poverty guidelines participating in Medicare Part D, having secured the low income subsidy if the individual is eligible and meeting the general eligibility requirements established in section 2072 of this title, shall be eligible for VPharm.

* * *

Sec. 7. SUPPLEMENTAL VPHARM COVERAGE; GLOBAL COMMITMENT WAIVER RENEWAL; RULEMAKING

(a) When Vermont next seeks changes to its Global Commitment to Health Section 1115 Medicaid demonstration waiver, the Agency of Human Services shall request approval from the Centers for Medicare and Medicaid Services to include an expansion of the VPharm coverage for Vermont Medicare beneficiaries with income between 150 and 225 percent of the federal poverty

level (FPL) to be the same as the pharmaceutical coverage under the Medicaid program.

(b) Within 30 days following approval of the VPharm coverage expansion by the Centers for Medicare and Medicaid Services, the Agency of Human Services shall commence the rulemaking process in accordance with 3 V.S.A. chapter 25 to amend its rules accordingly.

* * * Prior Authorization * * *

Sec. 8. 18 V.S.A. § 9418b is amended to read:

§ 9418b. PRIOR AUTHORIZATION

* * *

(h)(1) A health plan shall review the list of medical procedures and medical tests for which it requires prior authorization at least annually and shall eliminate the prior authorization requirements for those procedures and tests for which such a requirement is no longer justified or for which requests are routinely approved with such frequency as to demonstrate that the prior authorization requirement does not promote health care quality or reduce health care spending to a degree sufficient to justify the administrative costs to the plan.

(2) A health plan shall attest to the Department of Financial Regulation and the Green Mountain Care Board annually on or before September 15 that it

has completed the review and appropriate elimination of prior authorization requirements as required by subdivision (1) of this subsection.

Sec. 9. PRIOR AUTHORIZATION; ELECTRONIC HEALTH RECORDS; REPORT

On or before January 15, 2022, the Department of Financial Regulation, in consultation with health insurers and health care provider associations, shall report to the House Committee on Health Care, the Senate Committees on Health and Welfare and on Finance, and the Green Mountain Care Board opportunities to increase the use of real-time decision support tools embedded in electronic health records to complete prior authorization requests for imaging and pharmacy services, including options that minimize cost for both health care providers and health insurers.

Sec. 10. PRIOR AUTHORIZATION; ALL-PAYER ACO MODEL; REPORT

The Green Mountain Care Board, in consultation with the Department of Vermont Health Access, certified accountable care organizations, payers participating in the All-Payer ACO Model, health care providers, and other interested stakeholders, shall evaluate opportunities for and obstacles to aligning and reducing prior authorization requirements under the All-Payer ACO Model as an incentive to increase scale, as well as potential opportunities to waive additional Medicare administrative requirements in the future. On or before January 15, 2022, the Board shall submit the results of its evaluation to

the House Committee on Health Care and the Senate Committees on Health and Welfare and on Finance.

Sec. 11. PRIOR AUTHORIZATION; GOLD CARDING; PILOT PROGRAM; REPORTS

(a) On or before January 15, 2022, each health insurer with more than 1,000 covered lives in this State for major medical health insurance shall implement a pilot program that automatically exempts from or streamlines certain prior authorization requirements for a subset of participating health care providers, some of whom shall be primary care providers.

(b) Each insurer shall make available electronically, including on a publicly available website, details about its prior authorization exemption or streamlining program, including:

(1) the medical procedures or tests that are exempt from or have streamlined prior authorization requirements for providers who qualify for the program;

(2) the criteria for a health care provider to qualify for the program;

(3) the number of health care providers who are eligible for the program, including their specialties and the percentage who are primary care providers; and

(4) whom to contact for questions about the program or about determining a health care provider's eligibility for the program.

(c) On or before January 15, 2023, each health insurer required to implement a prior authorization pilot program under this section shall report to the House Committee on Health Care, the Senate Committees on Health and Welfare and on Finance, and the Green Mountain Care Board:

(1) the results of the pilot program, including an analysis of the costs and savings;

(2) prospects for the health insurer continuing or expanding the program;

(3) feedback the health insurer received about the program from the health care provider community; and

(4) an assessment of the administrative costs to the health insurer of administering and implementing prior authorization requirements.

Sec. 12. PRIOR AUTHORIZATION; PROVIDER EXEMPTIONS; REPORT

On or before September 30, 2021, the Department of Vermont Health Access shall provide findings and recommendations to the House Committee on Health Care, the Senate Committees on Health and Welfare and on Finance, and the Green Mountain Care Board regarding clinical prior authorization requirements in the Vermont Medicaid program, including:

(1) a description and evaluation of the outcomes of the prior authorization waiver pilot program for Medicaid beneficiaries attributed to the Vermont Medicaid Next Generation ACO Model;

(2)(A) for each service for which Vermont Medicaid requires prior authorization:

(i) the denial rate for prior authorization requests; and

(ii) the potential for harm in the absence of a prior authorization requirement;

(B) based on the information provided pursuant to subdivision (A) of this subdivision (2), the services for which the Department would consider:

(i) waiving the prior authorization requirement; and

(ii) exempting from prior authorization requirements those health care professionals whose prior authorization requests are routinely granted;

(3) the results of the Department's current efforts to engage with health care providers and Medicaid beneficiaries to determine the burdens and consequences of the Medicaid prior authorization requirements and the providers' and beneficiaries' recommendations for modifications to those requirements;

(4) the potential to implement systems that would streamline prior authorization processes for the services for which it would be appropriate, with a focus on reducing the burdens on providers, patients, and the Department;

(5) which State and federal approvals would be needed in order to make proposed changes to the Medicaid prior authorization requirements; and

(6) the potential for aligning prior authorization requirements across payers.

* * * Extending Certain Act 91 Provisions Beyond State of Emergency * * *

Sec. 13. 2020 Acts and Resolves No. 91 is amended to read:

* * * Supporting Health Care and Human Service Provider Sustainability* * *

Sec. 1. AGENCY OF HUMAN SERVICES; HEALTH CARE AND HUMAN SERVICE PROVIDER SUSTAINABILITY

~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through March 31, 2021, the Agency of Human Services shall consider ~~waiving or~~ modifying existing rules~~,~~ or adopting emergency rules~~,~~ to protect access to health care services, long-term services and supports, and other human services under the Agency's jurisdiction. In ~~waiving,~~ modifying~~,~~ or adopting rules, the Agency shall consider the importance of the financial viability of providers that rely on funding from the State, federal government, or Medicaid, or a combination of these, for a major portion of their revenue.

* * *

* * * Protections for Employees of Health Care Facilities and Human Service Providers * * *

Sec. 3. PROTECTIONS FOR EMPLOYEES OF HEALTH CARE FACILITIES AND HUMAN SERVICE PROVIDERS

In order to protect employees of a health care facility or human service provider who are not licensed health care professionals from the risks associated with COVID-19, through March 31, 2021, all health care facilities and human service providers in Vermont, including hospitals, federally qualified health centers, rural health clinics, residential treatment programs, homeless shelters, home- and community-based service providers, and long-term care facilities, shall follow guidance from the Vermont Department of Health regarding measures to address employee safety, to the extent feasible.

* * * Compliance Flexibility * * *

Sec. 4. HEALTH CARE AND HUMAN SERVICE PROVIDER REGULATION; WAIVER OR VARIANCE PERMITTED

Notwithstanding any provision of the Agency of Human Services' administrative rules or standards to the contrary, ~~during a declared state of emergency in Vermont as a result of COVID-19~~ through March 31, 2021, the Secretary of Human Services may waive or permit variances from the following State rules and standards governing providers of health care services and human services as necessary to prioritize and maximize direct patient care,

support children and families who receive benefits and services through the Department for Children and Families, and allow for continuation of operations with a reduced workforce and with flexible staffing arrangements that are responsive to evolving needs, to the extent such waivers or variances are permitted under federal law:

(1) Hospital Licensing Rule;

(2) Hospital Reporting Rule;

(3) Nursing Home Licensing and Operating Rule;

(4) Home Health Agency Designation and Operation Regulations;

(5) Residential Care Home Licensing Regulations;

(6) Assisted Living Residence Licensing Regulations;

(7) Home for the Terminally Ill Licensing Regulations;

(8) Standards for Adult Day Services;

(9) Therapeutic Community Residences Licensing Regulations;

(10) Choices for Care High/Highest Manual;

(11) Designated and Specialized Service Agency designation and provider rules;

(12) Child Care Licensing Regulations;

(13) Public Assistance Program Regulations;

(14) Foster Care and Residential Program Regulations; and

(15) other rules and standards for which the Agency of Human Services is the adopting authority under 3 V.S.A. chapter 25.

* * *

Sec. 6. MEDICAID AND HEALTH INSURERS; PROVIDER ENROLLMENT AND CREDENTIALING

(a) ~~During~~ Until the last to terminate of a declared state of emergency in Vermont as a result of COVID-19, a declared federal public health emergency as a result of COVID-19, and a declared national emergency as a result of COVID-19, and to the extent permitted under federal law, the Department of Vermont Health Access shall relax provider enrollment requirements for the Medicaid program, and the Department of Financial Regulation shall direct health insurers to relax provider credentialing requirements for health insurance plans, in order to allow for individual health care providers to deliver and be reimbursed for services provided across health care settings as needed to respond to Vermonters' evolving health care needs.

(b) In the event that another state of emergency is declared in Vermont as a result of COVID-19 after the termination of the State and federal emergencies, the Departments shall again cause the provider enrollment and credentialing requirements to be relaxed as set forth in subsection (a) of this section.

* * *

* * * Access to Health Care Services and Human Services * * *

Sec. 8. ACCESS TO HEALTH CARE SERVICES; DEPARTMENT OF FINANCIAL REGULATION; EMERGENCY RULEMAKING

It is the intent of the General Assembly to increase Vermonters' access to medically necessary health care services during and after a declared state of emergency in Vermont as a result of COVID-19. ~~During such a declared state of emergency, the~~ Until July 1, 2021, and notwithstanding any provision of 3 V.S.A. § 844 to the contrary, the Department of Financial Regulation shall consider adopting, and shall have the authority to adopt, emergency rules to address the following ~~for the duration of the state of emergency~~ through June 30, 2021:

(1) expanding health insurance coverage for, and waiving or limiting cost-sharing requirements directly related to, COVID-19 diagnosis, treatment, and prevention;

(2) modifying or suspending health insurance plan deductible requirements for all prescription drugs, except to the extent that such an action would disqualify a high-deductible health plan from eligibility for a health savings account pursuant to 26 U.S.C. § 223; and

(3) expanding patients' access to and providers' reimbursement for health care services, including preventive services, consultation services, and services to new patients, delivered remotely through telehealth, audio-only telephone, and brief telecommunication services.

Sec. 9. PRESCRIPTION DRUGS; MAINTENANCE MEDICATIONS; EARLY REFILLS

(a) As used in this section, "health insurance plan" means any health insurance policy or health benefit plan offered by a health insurer, as defined in 18 V.S.A. § 9402. The term does not include policies or plans providing coverage for a specified disease or other limited benefit coverage.

(b) ~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through June 30, 2021, all health insurance plans and Vermont Medicaid shall allow their members to refill prescriptions for chronic maintenance medications early to enable the members to maintain a 30-day supply of each prescribed maintenance medication at home.

(c) As used in this section, "maintenance medication" means a prescription drug taken on a regular basis over an extended period of time to treat a chronic or long-term condition. The term does not include a regulated drug, as defined in 18 V.S.A. § 4201.

Sec. 10. PHARMACISTS; CLINICAL PHARMACY; EXTENSION OF PRESCRIPTION FOR MAINTENANCE MEDICATION

(a) ~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through June 30, 2021, a pharmacist may extend a previous prescription for a maintenance medication for which the patient has no refills remaining or

for which the authorization for refills has recently expired if it is not feasible to obtain a new prescription or refill authorization from the prescriber.

(b) A pharmacist who extends a prescription for a maintenance medication pursuant to this section shall take all reasonable measures to notify the prescriber of the prescription extension in a timely manner.

(c) As used in this section, "maintenance medication" means a prescription drug taken on a regular basis over an extended period of time to treat a chronic or long-term condition. The term does not include a regulated drug, as defined in 18 V.S.A. § 4201.

Sec. 11. PHARMACISTS; CLINICAL PHARMACY; THERAPEUTIC SUBSTITUTION DUE TO LACK OF AVAILABILITY

(a) ~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through March 31, 2021, a pharmacist may, with the informed consent of the patient, substitute an available drug or insulin product for an unavailable prescribed drug or insulin product in the same therapeutic class if the available drug or insulin product would, in the clinical judgment of the pharmacist, have substantially equivalent therapeutic effect even though it is not a therapeutic equivalent.

(b) As soon as reasonably possible after substituting a drug or insulin product pursuant to subsection (a) of this section, the pharmacist shall notify

the prescribing clinician of the drug or insulin product, dose, and quantity actually dispensed to the patient.

Sec. 12. BUPRENORPHINE; PRESCRIPTION RENEWALS

~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through March 31, 2021, to the extent permitted under federal law, a health care professional authorized to prescribe buprenorphine for treatment of substance use disorder may authorize renewal of a patient's existing buprenorphine prescription without requiring an office visit.

Sec. 13. 24-HOUR FACILITIES AND PROGRAMS; BED-HOLD DAYS

~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through March 31, 2021, to the extent permitted under federal law, the Agency of Human Services may reimburse Medicaid-funded long-term care facilities and other programs providing 24-hour per day services for their bed-hold days.

* * * Regulation of Professions * * *

* * *

Sec. 17. OFFICE OF PROFESSIONAL REGULATION; BOARD OF MEDICAL PRACTICE; OUT-OF-STATE HEALTH CARE PROFESSIONALS

(a) Notwithstanding any provision of Vermont's professional licensure statutes or rules to the contrary, ~~during a declared state of emergency in~~

~~Vermont as a result of COVID-19~~ through March 31, 2021, a health care professional, including a mental health professional, who holds a valid license, certificate, or registration to provide health care services in any other U.S. jurisdiction shall be deemed to be licensed, certified, or registered to provide health care services, including mental health services, to a patient located in Vermont using telehealth or as part of the staff of a licensed facility, provided the health care professional:

(1) is licensed, certified, or registered in good standing in the other U.S. jurisdiction or jurisdictions in which the health care professional holds a license, certificate, or registration;

(2) is not subject to any professional disciplinary proceedings in any other U.S. jurisdiction; and

(3) is not affirmatively barred from practice in Vermont for reasons of fraud or abuse, patient care, or public safety.

(b) A health care professional who plans to provide health care services in Vermont as part of the staff of a licensed facility shall submit or have submitted on the individual's behalf the individual's name, contact information, and the location or locations at which the individual will be practicing to:

(1) the Board of Medical Practice for medical doctors, physician assistants, and podiatrists; or

(2) the Office of Professional Regulation for all other health care professions.

(c) A health care professional who delivers health care services in Vermont pursuant to subsection (a) of this section shall be subject to the imputed jurisdiction of the Board of Medical Practice or the Office of Professional Regulation, as applicable based on the health care professional's profession, in accordance with Sec. 19 of this act.

(d) This section shall remain in effect ~~until the termination of the declared state of emergency in Vermont as a result of COVID-19 and~~ through March 31, 2021, provided the health care professional remains licensed, certified, or registered in good standing.

Sec. 18. RETIRED HEALTH CARE PROFESSIONALS; BOARD OF MEDICAL PRACTICE; OFFICE OF PROFESSIONAL REGULATION

(a)(1) ~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through March 31, 2021, a former health care professional, including a mental health professional, who retired not more than three years earlier with the individual's Vermont license, certificate, or registration in good standing may provide health care services, including mental health services, to a patient located in Vermont using telehealth or as part of the staff of a licensed facility after submitting, or having submitted on the individual's

behalf, to the Board of Medical Practice or Office of Professional Regulation, as applicable, the individual's name, contact information, and the location or locations at which the individual will be practicing.

(2) A former health care professional who returns to the Vermont health care workforce pursuant to this subsection shall be subject to the regulatory jurisdiction of the Board of Medical Practice or the Office of Professional Regulation, as applicable.

(b) ~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through March 31, 2021, the Board of Medical Practice and the Office of Professional Regulation may permit former health care professionals, including mental health professionals, who retired more than three but less than 10 years earlier with their Vermont license, certificate, or registration in good standing to return to the health care workforce on a temporary basis to provide health care services, including mental health services, to patients in Vermont. The Board of Medical Practice and Office of Professional Regulation may issue temporary licenses to these individuals at no charge and may impose limitations on the scope of practice of returning health care professionals as the Board or Office deems appropriate.

Sec. 19. OFFICE OF PROFESSIONAL REGULATION; BOARD OF MEDICAL PRACTICE; IMPUTED JURISDICTION

A practitioner of a profession or professional activity regulated by Title 26 of the Vermont Statutes Annotated who provides regulated professional services to a patient in the State of Vermont without holding a Vermont license, as may be authorized ~~in~~ during or after a declared state of emergency, is deemed to consent to, and shall be subject to, the regulatory and disciplinary jurisdiction of the Vermont regulatory agency or body having jurisdiction over the regulated profession or professional activity.

Sec. 20. OFFICE OF PROFESSIONAL REGULATION; BOARD OF MEDICAL PRACTICE; EMERGENCY AUTHORITY TO ACT FOR REGULATORY BOARDS

(a)(1) ~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through March 31, 2021, if the Director of Professional Regulation finds that a regulatory body attached to the Office of Professional Regulation by 3 V.S.A. § 122 cannot reasonably, safely, and expeditiously convene a quorum to transact business, the Director may exercise the full powers and authorities of that regulatory body, including disciplinary authority.

(2) ~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through March 31, 2021, if the Executive Director of the Board of Medical Practice finds that the Board cannot reasonably, safely, and expeditiously convene a quorum to transact business, the Executive Director

may exercise the full powers and authorities of the Board, including disciplinary authority.

(b) The signature of the Director of the Office of Professional Regulation or of the Executive Director of the Board of Medical Practice shall have the same force and effect as a voted act of their respective boards.

(c)(1) A record of the actions of the Director of the Office of Professional Regulation taken pursuant to the authority granted by this section shall be published conspicuously on the website of the regulatory body on whose behalf the Director took the action.

(2) A record of the actions of the Executive Director of the Board of Medical Practice taken pursuant to the authority granted by this section shall be published conspicuously on the website of the Board of Medical Practice.

Sec. 21. OFFICE OF PROFESSIONAL REGULATION; BOARD OF MEDICAL PRACTICE; EMERGENCY REGULATORY ORDERS

~~During a declared state of emergency in Vermont as a result of COVID-19~~ Through March 31, 2021, the Director of Professional Regulation and the Commissioner of Health may issue such orders governing regulated professional activities and practices as may be necessary to protect the public health, safety, and welfare. If the Director or Commissioner finds that a professional practice, act, offering, therapy, or procedure by persons licensed

or required to be licensed by Title 26 of the Vermont Statutes Annotated is exploitative, deceptive, or detrimental to the public health, safety, or welfare, or a combination of these, the Director or Commissioner may issue an order to cease and desist from the applicable activity, which, after reasonable efforts to publicize or serve the order on the affected persons, shall be binding upon all persons licensed or required to be licensed by Title 26 of the Vermont Statutes Annotated, and a violation of the order shall subject the person or persons to professional discipline, may be a basis for injunction by the Superior Court, and shall be deemed a violation of 3 V.S.A. § 127.

Sec. 14. OFFICE OF PROFESSIONAL REGULATION; TEMPORARY LICENSURE

Notwithstanding any provision of 3 V.S.A. § 129(a)(10) to the contrary, through March 31, 2021, a board or profession attached to the Office of Professional Regulation may issue a temporary license to an individual who is a graduate of an approved education program if the licensing examination required for the individual's profession is not reasonably available.

Sec. 15. BOARD OF MEDICAL PRACTICE; TEMPORARY PROVISIONS; PHYSICIANS, PHYSICIAN ASSISTANTS, AND PODIATRISTS

(a) Notwithstanding any provision of 26 V.S.A. § 1353(11) to the contrary, the Board of Medical Practice or its Executive Director may issue a temporary license through March 31, 2021 to an individual who is licensed to practice as a physician, physician assistant, or podiatrist in another jurisdiction, whose license is in good standing, and who is not subject to disciplinary proceedings in any other jurisdiction. The temporary license shall authorize the holder to practice in Vermont until a date not later than April 1, 2021, provided the licensee remains in good standing.

(b) Through March 31, 2021, the Board of Medical Practice or its Executive Director may waive supervision and scope of practice requirements for physician assistants, including the requirement for documentation of the relationship between a physician assistant and a physician pursuant to 26 V.S.A. § 1735a. The Board or Executive Director may impose limitations or conditions when granting a waiver under this subsection.

Sec. 16. COVERAGE FOR HEALTH CARE SERVICES DELIVERED BY TELEPHONE; WORKING GROUP

(a) The Department of Financial Regulation shall convene a working group to develop recommendations for health insurance and Medicaid coverage of health care services delivered by telephone after the COVID-19 state of emergency ends. The working group shall include representatives of the Department of Vermont Health Access, health insurers, the Vermont Medical Society, Bi-State Primary Care Association, the VNAs of Vermont, the Vermont Association of Hospitals and Health Systems, the Office of the Health Care Advocate, and other interested stakeholders.

(b) On or before December 1, 2020, the Department of Financial Regulation shall provide to the House Committee on Health Care and the Senate Committees on Health and Welfare and on Finance the working group's

recommendations for ongoing coverage of health care services delivered by telephone.

Sec. 17. TELEHEALTH; CONNECTIVITY; FUNDING OPPORTUNITIES

(a) The Vermont Program for Quality in Health Care, Inc., shall consult with its Statewide Telehealth Workgroup, the Department of Public Service, and organizations representing health care providers and health care consumers to identify:

(1) areas of the State that do not have access to broadband service and that are also medically underserved or have high concentrations of high-risk or vulnerable patients, or both, and where equitable access to telehealth services would result in improved patient outcomes or reduced health care costs, or both; and

(2) opportunities to use federal funds and funds from other sources to increase Vermonters' access to clinically appropriate telehealth services, including opportunities to maximize access to federal grants through strategic planning, coordination, and resource and information sharing.

(b) Based on the information obtained pursuant to subsection (a) of this section, the Vermont Program for Quality in Health Care, Inc., and the Department of Public Service, with input from organizations representing health care providers and health care consumers, shall support health care providers' efforts to pursue available funding opportunities in order to increase

Vermonters' access to clinically appropriate telehealth services via information dissemination and technical assistance to the extent feasible under the current billback funding mechanism under 18 V.S.A. § 9416(c).

(c) In coordinating and administering the efforts described in this section, the Vermont Program for Quality in Health Care, Inc. shall use federal funds to the greatest extent possible.
