Executive Summary

Philosophy

The Executive Office is committed to ensuring every agency and department in state government is working together to:

- Prioritize growing the economy, making Vermont more affordable and protecting the most vulnerable;
- reverse Vermont's demographic crisis;
- efficiently deliver high quality services to Vermonters;
- rethink the outdated systems of state government and embrace a culture of continuous improvement and result-based accountability
- provide relentlessly positive operational leadership; and
- produce measurable results.

Key Initiatives

A major focus of the Executive Office is coordinating and directing the Governor's priorities:

- The Governor has directed, through Executive Order, all State agencies and departments to utilize their powers, duties and programs to establish strengthening the Vermont economy,

making Vermont more affordable, and protecting vulnerable Vermonters, as their top strategic and operational goals.

- Executive Order 04-17 created the Program to Improve Vermonter Outcomes Together (PIVOT), which is a program implemented by the Chief Performance Office to develop, and track progress of, the new State Strategic Plan, among other initiatives. This strategic planning framework also prioritizes empowering state employees, and improving efficiency, with modernized systems and training, and implement a customer-focused culture across state government.
- Every day, the Executive Office works to ensure the entire administration is implementing the strategic priorities, working to create more economic opportunity and make the state more affordable, helping families keep more of what they earn, while protecting our most vulnerable.
- The strategic plan is available at www.strategicplan.vermont.gov

Office Functions

- *Constituent Services* – The Constituent Services Office (CSO) supports Vermonters seeking assistance and/or information from state government.

Duties include coordinating and providing high quality constituent service and referrals, working with all agencies and departments, as well as outside organizations.

- *Legislative Affairs, Policy Development & Coordination with Agencies and Departments* – Staff functions include communication and coordination, with agencies and departments as well as with the Legislature and private organizations, of the Governor’s administrative, legislative and budgetary agenda and priorities. The Executive Office also provides constituent service and policy development guidance and analysis at the request of the legislators.
- *Legal Administration/Obligations* – Staff support the Governor as he fulfills his constitutional and statutory duties as Vermont’s Chief Executive. This includes executive orders, extraditions, pardons, borrowing by state agencies and state-backed agencies, land transactions, request for public records and records retention, appointments and other obligations.
- *Public Information/Media Relations* – Staff serve as main point of contact for media on gubernatorial and administrative initiatives, field related press inquiries and provide the public

information in a variety of issues and circumstances.

- *Boards, Commissions & Appointments* – Duties include finding qualified Vermonters to fill vacancies on over 180 Boards and Commissions. Boards and Commissions are a critical part of the governmental process and an opportunity for Vermonters to contribute to our system of self-government. Duties also include managing the process for the Governor to make appointments to fill judicial, legislative and other vacancies.
- *Government Modernization* –Reducing operating costs and streamlining services is essential to giving taxpayers the best value and results. To facilitate the modernization of state government, the Governor’s PIVOT strategic budgeting and restructuring priorities are being coordinated and managed out of the Executive Office.
- *Monitoring Public Safety* – The Executive Office collaborates with the Department of Public Safety, Vermont Emergency Management, the Agency of Transportation and other agencies/departments to closely monitor, and where necessary respond, to public safety events and emergencies.

The Executive Office plays an active role in the State's emergency response plans.

- *Scheduling* – The Executive Office manages the scheduling of the Governor's highly sought-after time.

The efficient use of the Governor's time is essential to the operations of state government and valuable to Vermonters who want to engage directly with the state's chief executive.

Funding Levels

The FY 2021 budget request to the General Assembly reflects a 3% increase over FY2020 primarily attributable to personal services and state-wide allocated costs increasing over FY2020 levels.

Summary

The Executive Office provides first-line leadership to state agencies and departments in order to ensure state government operates efficiently and effectively, as well as direct support to the constituents of the state of Vermont.
