Subject: Re: H.541 and Senate Finance - Today

Hi Faith, Sen MacDonald asked a question during my testimony about the number of manufactured homes installed with funding from the tax credit on owned land, in nonprofit/coop parks, or private parks.

Here's the breakdown:

- owned land: 82

- nonprofit parks: 37

- private parks: 39

Of course, Vermont has strict procedures for any transfer of title with mobile home parks, including right of first refusal.
