Memorandum

To: Senate Appropriations Committee From: Ken Schatz, DCF Commissioner Re: BAA Follow Up Questions/Responses

Date: January 16, 2020

1. Do GA burial funds include money for obituaries?

No, only the disposition of remains. Towns are no longer obligated for burials.

2. Provide a list of EH hotels and rates:

Please see attached table (EH Hotels_Rates 2020.01.16)

3. Residential Caseload, provide information on number of kids, age, placement type, location:

Please see the attached tables (VT Residential Placements, Residential Data).

4. Who is placed out-of-state and why?

Please see the attached tables in response to #3 above.

5. Family First federal legislation – how will this impact residential programs?

The Family First Prevention Services Act (FFPSA) requires all residential treatment programs to enhance staff background checks by requiring National Crime Information Center fingerprint supported background checks as of July 1, 2019.

FFPSA creates a new standard for Qualified Residential Treatment Programs (QRTP) that requires traumainformed programming, 24-hour on-call nursing staff available, 6-months of post placement aftercare, and to become nationally accredited.

As of October 2021, FFPSA will restrict the states' abilities to draw down IVE funding for programs that are not QRTP. Vermont has been granted a delay in implementation of this portion of FFPSA until 10/1/2021.

6. Need clarification on the residential caseload and costs with annual data.

The caseload information is in the same attached tables responsive to #3 above. The cost for residential care including out of state, instate, and in-state short-term emergency placements is approximately \$25M annually. Of that, approximately \$15M is spent on in-state programs and \$10M are spent on out-of-state programs. This includes GF/MCD/IVE funding.

7. BO: Need financial analysis for closing Woodside two months earlier than expected.

We are not able to provide this at this time.
