DEPARTMENT OF LIQUOR & LOTTERY FY 2021 BUDGET PROPOSAL

Department of Liquor & Lottery

Governor's Recommended FY2021 Budget \$13,161,703

- MSA Tobacco Settlement Funds
- Federal Funds
- Enterprise Funds

FY 2021 SUMMARY & HIGHLIGHTS

Compliance & Enforcement

Continue developing data driven compliance and enforcement techniques using data gathering and analytics; and remain focused on building bridges with other law enforcement agencies and to effect positive changes in alcohol consumption outcomes

We are seeking legislative approval for the Department to recoup the costs of staffing specially permitted events such as brew fests

Warehousing & Distribution

Explore new distribution procedures through technology and changes in increased efficiencies

Improve our procedures to create the opportunity to sustain growth with an existing warehouse facility that is antiquated and limited in ability to sustain improved sales and thus provide additional resources to the general fund

Develop and implement seasonal agency delivery schedules to better reflect the seasonality of business where applicable

General Administration

Licensing- eliminate task redundancies and create useable data as we license and permit businesses throughout the State by automating certain routine functions and utilize data-based analytics to better identify trends and areas of concern

Education-Modernize and professionalize the entire universe of training materials
Retail Operations- identify additional locations to operate seasonal stores to address
locations with high seasonal demand

Marketing- assist our retailer agents in raising the awareness of their store locations to visitors and citizens

Lottery

Continue to have the best product mix delivered in the most appropriate manner possible, in order to maximize the revenues to the state education fund, while preserving the dignity of the state and considering the welfare of its people.
