

H.351

An act relating to workers' compensation, unemployment insurance, and ski tramway amendments

It is hereby enacted by the General Assembly of the State of Vermont:

\* \* \* Workers' Compensation \* \* \*

Sec. 1. 21 V.S.A. § 711 is amended to read:

§ 711. WORKERS' COMPENSATION ADMINISTRATION FUND

(a) The Workers' Compensation Administration Fund is created pursuant to 32 V.S.A. chapter 7, subchapter 5 to be expended by the Commissioner for the administration of the workers' compensation and for costs of the occupational disease safety and health programs that are not funded by federal OSHA grants and matching State General Fund appropriations. The Fund shall consist of contributions from employers made at a rate of 1.4 percent of the direct calendar year premium for workers' compensation insurance, one percent of self-insured workers' compensation losses, and one percent of workers' compensation losses of corporations approved under this chapter. Disbursements from the Fund shall be on warrants drawn by the Commissioner of Finance and Management in anticipation of receipts authorized by this section.

\* \* \* Short-Time Compensation Program \* \* \*

Sec. 2. FINDINGS

The General Assembly finds:

(1) The Short-Time Compensation Program was enacted in 1986 to assist employers in avoiding layoffs by temporarily reducing the hours worked by some of their employees.

(2) The Program provides partial unemployment insurance benefits to the employees who are working reduced hours.

(3) In 2014, the General Assembly amended 21 V.S.A. § 1338a to change the formula by which partially unemployed individuals who are not covered by a short-time compensation plan are paid partial unemployment benefits. By changing a claimant's so-called "disregarded earnings" from 30 percent to 50 percent of the claimant's weekly wage, the amount of unemployment benefits available to a partially employed individual increased significantly.

(4) Because of the change in disregarded earnings, employers and employees both have less to gain from short-time compensation plans.

(5) The application and approval process for short-time compensation plans is an administrative burden for employers.

(6) Since 2014, only one employer in Vermont has established a Short-Time Compensation Program.

(7) Therefore, the General Assembly finds that 21 V.S.A. chapter 17, subchapter 3, which establishes the Short-Time Compensation Program, should be repealed.

Sec. 3. REPEAL

21 V.S.A. chapter 17, subchapter 3 is repealed.

\* \* \* Self-Employment Assistance Program \* \* \*

(B)(i) the individual is not considered to be self-employed pursuant to subdivision 1301(24) of this title;

(f)(1) The self-employment assistance allowance shall be charged to the Unemployment Compensation Trust Fund.

(2) In the event that the self-employment assistance allowance cannot be charged to the Unemployment Compensation Trust Fund pursuant to subdivision (1) of this subsection, the allowance shall be charged in accordance with section 1325 of this title.

(g) The Commissioner may approve a program upon determining that it will provide self-employment assistance activities to qualified individuals.

(h)(1) The Commissioner shall adopt rules to implement this section.

(2) The rules adopted pursuant to this subsection shall include a detailed explanation of how an individual may apply for and establish eligibility for the Self-Employment Assistance Program and any criteria that the Commissioner will consider in determining whether to approve a program.

(i) The Commissioner may suspend the Self-Employment Assistance Program with approval of the Secretary of Administration and notice to the House Committee on Commerce and Economic Development and the Senate Committee on Finance in the event that the Program presents unintended adverse consequences to the Unemployment Compensation Trust Fund.
