To graduate with proficiency, a learner must demonstrate basic proficiency (2.5) or higher in two performance indicators from each area under English Language Arts, Global Citizenship, Science, Physical Education, Health, Math, World Language, and Transferable Skills. Where there are fewer than two performance indicators, learners must demonstrate proficiency in the ones available.

**Learners must demonstrate basic proficiency in one of these three areas in Arts and one of these two areas in Health.*

% At the Integrated II level

At Level I
