2 Date:

3 Subject: Education; afterschool programs; universal access

4 Statement of purpose of bill as introduced: This bill proposes to create the

5 Task Force for Universal Afterschool Access to consider and make

6 recommendations on the framework for, the costs of, and related long-term

7 funding sources for access to universal afterschool programs.

8 An act relating to universal access to afterschool programs

9 It is hereby enacted by the General Assembly of the State of Vermont:

10 Sec. 1. FINDINGS

11 (a) Children who participate in afterschool activities and programs do
12 better in school and in life generally than children without these options.

13 (b) Access to universal afterschool programs expands equity and choices
14 for children and families and supports working parents by reducing the
15 logistical and financial burden of afterschool care.

16 (c) Current research demonstrates that involvement in high-quality
17 afterschool programs decreases a child’s risk for substance abuse. For
18 example, a 2018 McDowell Group report for the Alaska Afterschool Network
19 found that high school students who participated in afterschool programs were
20 39 percent less likely to experiment with marijuana.
