**Subject:** Stop 5G

To whom it may concern

I strongly request that you amend the language in Bill H.513 to:

1) --- Remove Bill H. 513 Sections 19a (1) and (2) because they allow 5G to be implemented under the cover of broadband expansion.

5G is dangerous:

2) --- Place a stay on the attachment of 5G antennas to poles and towers until proven safe and reliable, including 4G antennas that can be upgraded to 5G via software. Luz Elena Morey
