2	01/15/20	Robert Tower	It is time to honor those that have made many sacrifices.
3	01/15/20	William Hood	Has my support
4	01/15/20	Karin Kasupski	
5	01/15/20	Ken Dattilio	
6	01/15/20	Edward Lambert	I agree we are losing to many retired military, and people with high taxes for retirement
7	01/15/20	Dan Bagley	
8	01/15/20	Reginald B Anair	I'm a military retiree and this would be great if passed.
9	01/15/20	Meagan Kunkle	
10	01/15/20	Linda Fowler	Please think about all of the things in your daily life that you pay for. Retirees do the same which contributes to our Vermont economy. Retirees also give back to the community in many ways - either through part time employment or volunteering for organizations such as senior centers, schools, fraternal organizations, mentorship, etc. Every Vermont citizen "owns" a little piece of the puzzle that we call home. The state created a plan to "pay" people from other states to move to Vermont. But what are we doing to keep those from leaving? Due to this tax, many of those I served with immediately left Vermont after meeting their military retirement requirements, or they did not return after having served on active duty elsewhere. I myself, plan to relocate as it is currently very expensive to live in the State of Vermont. The majority of military retirees continue to work in civilian occupations after leaving the armed forces. Considering that Vermont is currently facing a significant population and workforce shortage, it is doubly unfortunate that our state is not doing what it can to incentivize our military community to remain here. With major military installations existing around the Northeast, Vermont has an opportunity to attract a diverse community of military retirees who would move here to live and work in our local communities. These veterans would bring with them desperately needed professional skills, like the emergency services backgrounds Vermont's leaders have identified as lacking in our rural towns. Additionally, the relatively low revenue gained by this tax would almost certainly be offset by the influx of military retirees who would pay other state taxes, while contributing to Vermont as valuable community members. Please consider the overwhelming benefit of retaining and attracting military retirees to Vermont - Support H.435!
11	01/15/20	Shannon Trainer	Please pass this bill to exempt military pensions!
12	01/15/20	Brian Perry	As a Retired veteran and former Veterans Outreach worker. I saw first hand how many retired veterans struggled to make ends meet in VT. Many like myself have moved from our homes in VT to more veteran friendly states. Please consider this bill and show your respect and support for your veterans.
13	01/15/20	Mario Boudreault	As a retired military veteran please help us, I don't want to move out of Vermont.
14	01/15/20	Linda Fowler	
15	01/15/20	Brenda Wells	
16	01/15/20	Robert Perham	
17	01/15/20	Catherine Royer	Some gave some, some gave all. Please pass this bill. Signed a native Vermont/Active Duty, twice/Army National Guard Member/Full-time Vermont Military Technician.
18	01/15/20	Edward Matayka	
19	01/15/20	Timothy P Hodet	Too many of VT's veterans are moving out of state. Reverse the trend
20	01/15/20	Erin graham	
21	01/15/20	Patricia Howes	Totally agree with this bill. OK legislators, now pass it!

26	01/15/20	James Chadwick	

27	01/15/20	Terri Sabens	Absolutely
28	01/15/20	Catherine L Blodgett	As a veteran this is a bill that needs to be passed to retain those valuable members of our communities in Vermont.
29	01/15/20	Chelsea Delphia	
30	01/15/20	Susanne Dunn	
31	01/15/20	Nicole Laba	
32	01/15/20	Mark Grant	I am retired Military Veteran with 21 years of honorable service. Afghanistan Combat Veteran as well. I left Vermont in 2015 because I just could not afford to live there. I was born and raised in Addison County and raised my family there as well. I would like to move back HOME but with property taxes the way they are it's almost impossible. This would be a good first step and join many other States in honoring our service and sacrifices.
33	01/15/20	Sherrri Morin	It's about time we fully support of military.
34	01/15/20	Matthew Schwarzman	It's about time for this!
35	01/15/20	Bill LaPointe	This would go a long way to persuade military retirees to stay in the state with their pensions and properties.
36	01/15/20	Sue King	
37	01/15/20	Allan C Lane	I am a retired military veteran. Daily my wife and I have the discussion about selling our home and moving out of Vermont. We have actively looked at NH and Massachusetts as they both have better tax situations For military retired. My family goes back to the early 1800's here in Vermont but Vermont just is NOT friendly to retirees.
38	01/15/20	Tom Boddy	
39	01/15/20	MIKE LUSSIER	We won't support you if you don't support us.
40	01/15/20	Thomas Comes	
41	01/15/20	Skyler Genest	
42	01/15/20	Richard Lizzari	Fully support, VT has to make retirement here more attractive for Military Retirees.

45	01/15/20	Raymond Laroche

51	01/15/20	Raylene Meunier	So important and a must!
52	01/15/20	Heather Powell	
53	01/15/20	Regan Dickinson	
54	01/15/20	Thomas Kinley	This needs to happen to support the soldiers who have dedicated a good portion of their life to this country. If there's an issue with income place a maximum income on those who can receive the tax exemption
55	01/15/20	Faith Copeland	
56	01/15/20	Chad May	
57	01/15/20	Patricia Lavery	
58	01/15/20	Erin Quinn	
59	01/15/20	Lori Bernier	Enough taxing the middle class out of house and home! Social Security shouldn't be taxed either, citizens were taxed when they initially made the money; shame on Vermont for double jeopardy taxing over and over! Stop taxing us out of Vermont! Re-organize current programs that are being abused by many, drug testing before receiving welfare etc. The future is in your hands on whether Vermont becomes a ghost state!
60	01/15/20	Amy pierzchalski

62	01/15/20	Roger Chauvin Jr	
63	01/15/20	Ellen Abbott	
64	01/15/20	Roger Chauvin Jr.	
65	01/15/20	Candida Smith	I strongly believe our men and woman of the military have sacrificed enough for our country. Shame on USA for having to even consider this an option. When Congress gives up their earnings, lifetime healthcare and astronomical retirement benefits is when we will see a landslide of funds to utilize towards the right purpose. Becoming wealthy in Congress should not be the standard, it should be illegal. Corruption being paid for by taxing our veterans. Sickening and disgusting.
66	01/15/20	Bethany Johnson	As a Veteran I support this
67	01/15/20	James Lacourse	
68	01/15/20	John Jacob	
69	01/15/20	Donald Emery

72	01/15/20	Rachel Sweet	
73	01/15/20	Tammy Cayia	They put their lives on the line for us.. This is the least we can do.
74	01/15/20	David Lavallee	
75	01/15/20	Armand Hebert	
76	01/15/20	Archie Hodgdon	I feel that all pensions, but especially military pensions should be tax exempt
77	01/16/20	Brandy Plowman	Yes please. My widowed Mother Needs this!
78	01/16/20	steve lamonda	
79	01/16/20	Lynn Hendricks	Great incentive to stay in Vermont. Love the state but looking into moving to a state that does
80	01/16/20	Catherine Molind	
81	01/16/20	Duane Thompson	Please show great respect of our retire military personnel who have dedicate years of service to protect and service our State and Country.

86	01/16/20	Patti Bourbeau	
87	01/16/20	Bill Noyes	
88	01/16/20	Pierrette Monteith	I'm from a very strong military family. They give their lives for us. Taxes should come from other than them.
89	01/16/20	Richard S Smith	
90	01/16/20	Cheryl Underwood	
91	01/16/20	Dan Tremblay	
92	01/16/20	Amy Anderson	Soldiers risk everything for us and deserve a break. Congress sits there and gets lifetime golden parachutes and benefits. The taxes can easily be made up by cutting congresses unearned, outrageous benefits.
93	01/16/20	Troy Revis	
94	01/16/20	Toby Brace	Vets need more benifits. Plus how much would the state really loose, pennies?
95	01/16/20	Joseph E Nelson	Former VT Guard
96	01/16/20	Scott Botelho	
97	01/16/20	Erik Bailey	It's only right.
98	01/16/20	Cheryl Smith	

99	01/16/20	Lisa Moss	
100	01/16/20	Wayne E Johnson	Presently a VTANG member upon retirement I am planning to move out of state if my retirement is taxed.
101	01/16/20	Angeline Tremblay	They put there life on the line, now you have to tax them some more when the time comes
102	01/16/20	David Perron	Help us or we all leave
103	01/16/20	Kyle J Small	
104	01/16/20	Matthew Progen	
105	01/16/20	Jason Finney	to little to late for me and my family as we will be leaving this state even if this passes as the cost of living is too great and the idiots in charge just want to add more taxes as I watch my birth state become a craphole :(but for those who remain would be good for them :)

119	01/16/20	Becky Johnson	
120	01/16/20	Daniel Molind	Vermont needs to do more to support veterans that have given a lifetime of guarding the freedoms of others.
121	01/16/20	Damien Larose	
122	01/16/20	Kevin M Bedard	
123	01/16/20	Roger Etherington	
124	01/16/20	Kay Mitchell	Service members have already paid in full. They shouldn't have their retirement taxed.
125	01/16/20	Joel Stoddert	
126	01/16/20	Shannon Blake	It's the right thing to do.
127	01/16/20	Eva Dixon	
128	01/16/20	Danny Williams	
129	01/16/20	Cassidy Tiraboschi	I support this 100 percent!

131	01/16/20	Kevin Jewer	
132	01/16/20	Frederick Hint	
133	01/16/20	Debbie Hill	Absolutely!!
134	01/16/20	Sally Sweet	
135	01/16/20	Allen Jacobs	I support passage of the Bill, we have to many Veterans, homeless, medical, moving out of state because of high taxes.

137	01/16/20	Pamela Tiraboschi	
138	01/16/20	Brain Decatur	This will help my decision whether to leave Vermont or not. I just cant afford to live in my own state.

139	01/16/20	Valarie Roberts	
140	01/16/20	Dan Herriman	This tax is one more reason it's so expensive to live in VT. Most military retirees are also on disability. Very sad. Please, fix it.
141	01/16/20	James Poirier	
142	01/16/20	David Patterson	Take care of our Veterans!!!
143	01/16/20	Paulette Gundlach	
144	01/16/20	Maureen	
145	01/16/20	Ed Gamelin	Please pass this bill. We are taxed enough already.
146	01/16/20	Timothy Copeland

150	01/16/20	Jim Greene	
151	01/16/20	Patricia Titus	
152	01/16/20	Scott DuBray

155	01/16/20	Bonnie Lacaillade	
156	01/16/20	Courtney McCullough	
157	01/16/20	Pete Underwood	
158	01/16/20	Melissa Archer	Something has got to change, Vermont is losing such amazing, dedicated families. There is no way we can afford to live here once I am retired.
159	01/16/20	Melody ives	AND PAID MEDICAL LEAVE.. AND FREE MEDICAL,DENTAL, AND VISION FOR ALL MILITARY AND THEIR FAMILIES WHO RISKED THEIR LIVES OVERSEAS AT WAR FOR THEIR COUNTRY..
160	01/16/20	Andrew Beeman	We have so many talented Vermonters who love Vermont but leave (or don't come back) when they retire from the military because of what they will have to pay in taxes. Many of these people continue to work (often in high-paying jobs) while collecting their military benefits, and would still be contributing an income tax in that regard.
161	01/16/20	Dustin Knight	
162	01/16/20	Dwight DeCoster	
163	01/16/20	Erin Shackford

167	01/16/20	Eric J Dodge	Keep our Vets here! Bring more Vets here! Honest, hard-working, professionals! Exactly the kind of citizens we should retain and attract! Let them spend their retirement money in Vermont!!!
168	01/16/20	Graham Bresette	
169	01/16/20	Michael E Jacobs	I support this bill.

175	01/16/20	Toby Quick	Moving is something does not change for our veterans in VT

176	01/16/20	Brian Griffin	
177	01/16/20	Donald Rousseau	I am a retired SMSGT, VTANG. I am for this legislation particularly since I retired in 2014 yet I cannot collect my retirement until 2031. The least our state could do is not tax me on it, after 22-1/2 of distinguished service.
178	01/16/20	Bernard Corliss	
179	01/16/20	James Hall	Long overdue!
180	01/16/20	Bob Case

183	01/16/20	Roger Nadeau	
184	01/16/20	Lloyd Goodrow	Stop the draining of retired military veterans who are leaving Vermont. They are reentering the workforce elsewhere and Vermont is losing them every day.
185	01/16/20	Allan Willey	I support this petition
186	01/16/20	Ed O'Neill	We need to keep our Vermont families here. It is well worth the loss of tax dollars to Vermont and is long overdue as well as the right thing to do!
187	01/16/20	Mark Huntington	
188	01/16/20	David Heinemann	The military are often overlooked once their service is done. They fought for and deserve better.
189	01/16/20	John Bilodeau	In all the way!!!! Extra \$ will all of us. Very glad to see help go for us.
190	01/16/20	Timothy Bruner	I support this bill 100%

192	01/16/20	Richard LaRouche	I support this bill
193	01/16/20	Evan Hamilton	I fully support Vermont House Bill 435!
194	01/16/20	Stephen Murphy	This veteran (with no retirement pay) is absolutely for this bill. Military retirement pay should not be taxed.
195	01/16/20	Shannon Greig	
196	01/16/20	Dennis Briggs	I served our country and state as a member of the Vermont Army National Guard for 27 years. Though never mobilized for for a combat mission, at the time I joined I wrote a check to our country payable up to and including the value of my life. I did however serve many days and nights supporting recovery operations for disasters from train wrecks, floods and ice storms.

208	01/16/20	Gerald Paul Irvine	
209	01/16/20	Paul Simpson	
210	01/16/20	Richard Gallo	It is time!
211	01/16/20	Bonnie Ratta	
212	01/16/20	Barbara Watters	It's the least we can do for the men and women who have served our country. Maybe more military retirees will STAY in Vermont.
213	01/16/20	Mark Nicoletti	

214	01/16/20	Patrick creamer	
215	01/16/20	Bill Schmitt	I'm currently a Florida resident because taxes in Vermont are burdensome for not only military retirees but on every day Vermonters. The Vermont legislature needs to stop their tax and spend and tax some more ways and figure out how to reduce the cost of living in Vermont.
216	01/16/20	W Harper Mitchell	The State of Vermont is willing to give people from other states money to move here, but not willing to take care of those who have served them and our state through the military. You wonder why people are moving out of VT to states that give us a break. Start fixing it with this bill!
217	01/16/20	Kristina	
218	01/16/20	Lisa Currier	You should make retirement pay for the military tax fee they already sacrificed so much for our state and country!!
219	01/16/20	Patricia A Lyman	Military men and women have paid enough. I support this bill.
220	01/16/20	Ed Anderson	Vermont should exempt military retired pay 100%. If I could afford to a non tax state I would. Bad enough I forfeit my retired pay penny for penny to receive my VA retired pay because I did not achieve twenty years service.. The answer in this state is raise taxes all the time and pay tax money to get out of staters move in .. Novel idea take care of the people that live here !!

224	01/16/20	Slade Farnham	
225	01/16/20	Corrine Bonnette	The men and women who serve and protect us have already pledged something much more valuable than money the least we can do in return is to not tax their pay.
226	01/16/20	Rita Wells	
227	01/16/20	John Letourneau	We are overtaxed as it is
228	01/16/20	David Cole

230	01/16/20	Linda	
231	01/16/20	William Barrett

236	01/16/20	Meegan Delphia	
237	01/16/20	Bo Willoughby	
238	01/16/20	Deborah Ducharme	We have seen many retired military friends move from their Vermont homes to relocate in states where there is no tax on their military retirement. Moving out of state after retiring is a consideration for our family as well due to the high rate of taxes.
239	01/16/20	Marcel Laramee	we have vets leaving this state and moving to tax free states. I know at least 12 or more people that have moved.
240	01/16/20	John Medenwald

242	01/16/20	Cara Brown	
243	01/16/20	Michelle Anderson	
244	01/16/20	Steven Glover	They gave us all, they shouldnt have to continue when they retire.
245	01/16/20	Paul St Jabmes	
246	01/16/20	Joel Whitney	
247	01/16/20	Matt Amstein	They deserve it. This is a big thank you for your service.

253	01/16/20	Ken Stockwell	
254	01/16/20	Thomas A Fraga	After twenty years of service, as an E-6, former Crew Chief, of UH-1H helicopters, that saved life's, to include the train Wreck in Essex, and numerous other occasions. We all did our part as citizen soldiers, I get a check for less than Five hundred dollars, it all goes to pay my taxes. after taxes are taken out!
255	01/16/20	Bryan Lumsden	
256	01/16/20	Robert Delorme	Vermont has taken taxes from veterans for years...isn't it time for the legislature to consider supporting those veterans who have given their best to the State?
257	01/16/20	Robert Gingras	Away on orders but a Vermonter
258	01/16/20	Terry Lambert	
259	01/16/20	Edward Deuso	
260	01/16/20	Bruce McRae	Retired military folks deserve something in return for putting their lives on the line for state and country. Now is the time to make their retirement pay tax free as it is in many other states.
261	01/16/20	Ronald Rogers	I served while living in Vermont. Please consider leaving their retirement alone.
262	01/17/20	Laura Urquhart	
263	01/17/20	BÄrrbel Paradis	
264	01/17/20	Raymond Forsell	This idea is a great one. I am not a retired veteran so have no personal benefit from it.
265	01/17/20	Kathleen Hammond	I support this bill.
266	01/17/20	David Leonard	
267	01/17/20	Chelsey Christino	
268	01/17/20	Barbara Purinton	
269	01/17/20	Jennifer Simpson	Highly skilled, hard working men and women are leaving the state because of this.
270	01/17/20	Susan West	
271	01/17/20	Adam Rice	Leaving state in 3 years unless this bill passes.
272	01/17/20	Linda Lemay-Richard	Make VT affordable again, keep military members stop taxing us to death.

394	01/19/20	James Nagle	I am thinking about leaving the State of Vermont because of the poor economy and the high costs of living. This bill, if passed, will help me, but I am not sure it will be enough. Vermont is in trouble and I might have to fold my tent and move elsewhere. Now I here Vermont is seeking more refugees and migrant workers, paying up to 10K for workers to move here. This is why I am thinking about leaving. Also, Act 250 locks up most of the land in Vermont, making her a post card state, not a state that produces wealth for her citizens. New Hampshire is looking better with every legislative session in Vermont.

397	01/19/20	Eulice Gaudette	I spent 30 odd years with the Air National Guard. It sure would be nice not the pay State tax on my retirement. I too am thinking of leaving the state. Perhaps after leaving I could apply for the \$10,000 for coming home again that would take care of the tax for as long as I live

400	01/19/20	Matthew J Fitzgerald COL MTN Infantry Retired	I selflessly served my Country for 30 years. The decision effected my family during my career, I volunteered to serve, they did not. Many special events in their lives took second place to MY commitment, to our Country and State who reaped the benefits of our Freedom. I will never leave Vermont like many of my brothers and sisters in arms have to escape the high cost of living and political tomfoolery. I run a Service business that helps Vermonters with the loss of their loved ones, I continue to serve my State and neighbors. Not taxing retired pay provides additional disposable income that I put back into my community and State by supporting local businesses and my State. The income I earn through my business is taxed along with all of the other taxes I pay and will continue to pay. It's that simple.

408	01/19/20	Michael Gately	With over 40 years of service in the US Army and Vermont Army National Guard, I believe this bill is long overdue. States that have recognized the value-added of exempting retired military pay from taxes have seen an increase in the number of retirees re-locating to their state. They bring a reliable monthly income, are not a burden on the healthcare or social services, have disposable income they spend in their local communities and generally increase the quality of life in those communities through their continued selfless service. At a time of negative population growth and loss of income due to the re-location of many retirees seeking relief from the burden of high taxes, exempting military retirement from state taxes will attract a highly desirable segment of retiree society to Vermont. The homes, cars, food, clothes, and services they buy will fuel the state's economy and return a vibrancy that has moved away in recent years. This is a sound fiscal decision which will significantly enrich the tax coffers of the great State of Vermont. I strongly urge enactment of H. 435!!

412	01/19/20	Robert Revoir	vermont needs to ask itself if it really wants to encourage military vets to return to the state or not VT native vets to bring their capital, leadership and initiative to the state. As an active duty vet I can tell you every retiree looks at the states attitude towards taxing vets. 20 year to 20+ year Vets have payed their share. Their retirement shouldn't be taxed . They have already payed the ultimate tax. VT should have the common sense to see this.

Also, it may help in retaining quality, competent citizens in the State of Vermont, stopping the migration to more military & tax friendly states.

448	01/21/20	Kim Siner	We are looking at jumping the river to NH due to the high, and ever increasing, taxes in VT. Our legislature needs to look at our neighboring states. 463	01/22/20	Harold Michael Goldstein	Let's get this done
464	01/22/20	Kimberley Sellears	So many of my fellow retired Guardsmen have already moved to tax-friendly states because of this issue. We are planning to do the same if things don't change. Between this issue, high property taxes and the high cost of living, Vermont is just not affordable. Our money can go so much further for a better way of life in other states, and I'm sad when I say this, as I was born here and my husband has grown to love Vermont. You need to pass this bill to help keep our veterans here. You're losing a valuable resource.

474	01/22/20	Susan Wisowaty	Military Retirees should NOT have to pay state income taxes on their pensions. These are the people who make our freedoms possible. 494	01/23/20	Charles Nettleship	Please pass this law to assist retired veterans in and returning to Vermont after their service to increase workforce development. Surround states have done this and VT needs to.
495	01/23/20	Homer Wetherby	This bill "846" is needed to keep our military retirees in the State of Vermont. As a USAF retiree I have been contemplating moving out of state because of the high cost of living!

496	01/23/20	Edmond Daudelin	I am a retired MSG (E8). It would be nice and would be essential to keep me and all of my retirements in Vermont. What would you rather do? Exempt my Military retirement or lose \$6000.00/mo when I move to Florida?
497	01/23/20	Heidi A Sutton	Bringing highly trained US Military service member into our State is valued added to the work force. This only makes sense to the on going economic recovery of Vermont. Legislators sign on to this one and "bet on a vet" !!! You always win.

503	01/23/20	AL FAXON	Passage of H-846 has great potential for impacting Vermont's diminishing workforce. Several of my retired military friends and acquaintances have declined to move to Vermont after researching and learning we are one of the few states taxing their retirement. They moved to the cold weather states of NY and NH. These are high tech, extremely skilled individuals with their health care and low burden on services. Instant home buyers and diligent, loyal workers.

510	01/24/20	Matthew Titus	Long over due, this would help us veterans be able to afford to stay here after retirement.
511	01/24/20	Ed Barden	This only makes sense, if we truly care about our Veterans. Pass this bill!

The sound reinvestment in the State's Economic infrastructure and providing a motivating factor for veterans to stay and or return to the State is very helpful. Legislators supporting reversing the outflow of the talented work force need to get on board with the economic stability of Vermont. Tax exemption for retired military is both respectful to service and a sound investment in circulating commerce.
