Subject: S.191 re: TIF

Dear Senator Cummings

I am away this week without having access to all my usual email resources. Please share my thoughts with the full Finance Committee.

I write in support of S.191, the TIF Bill. The city has implemented a TIF district and agrees with the proposed amendments. We hope that the Committee will continue to strengthen TIF legislation so that it becomes the type of responsible development tool that it is designed to be.

Thank you,

Bill Fraser
City Manager
