

=====

Good Afternoon:

I wanted to update you with some important information about T-Mobile and share a resource about T-Mobile's ongoing COVID-19 efforts.

Earlier today, T-Mobile closed its merger with Sprint to create the New T-Mobile. The company's commitment to building a world-class nationwide wireless 5G network is more critical than ever. Our press release can be accessed via the following link: <https://investor.t-mobile.com/news-and-events/t-mobile-us-press-releases/press-release-details/2020/T-Mobile-Completes-Merger-with-Sprint-to-Create-the-New-T-Mobile/default.aspx>

T-Mobile continues to closely monitor the impact of COVID-19 on our employees, our customers and our network. Keeping everyone connected is our top priority. We encourage you to visit our [T-Mobile COVID-19 Webpage](#) to learn more about our latest efforts.

Thank you for your continued support of T-Mobile. If you have any questions, please do not hesitate to contact me.

Sincerely, Stacey

Stacey B. Briggs
