**Subject:** Support for H.947 from Newfane Village Trustees

Dear Senator White:

I am writing you as Chair of the Trustees of the Incorporated Village of Newfane. We support H.947 as it will enable us to adopt a budget for our new fiscal year. Our regular annual meeting was to be held on Monday, May 6th, but we are unable to convene Village voters given the current and necessary physical distancing requirements in place as a result of the COVID-19 State of Emergency.

Please let me know if you have any questions.

Sincerely,  
Chris Company
