8 CHAPTER 140. MUNICIPAL SELF-GOVERNANCE PROGRAM

9 § 5801. FINDINGS AND INTENT

10 The General Assembly finds that:

11 (1) State law, policies, and procedures at times inhibit or delay the  
12 ability of Vermont’s cities and towns to adopt and implement innovative  
13 solutions to local problems.

14 (2) Often, State law, policies, and procedures limit the ability of cities  
15 and towns to creatively work with the State in a timely and efficient manner to  
16 address the many issues facing Vermont, including economic health, housing  
17 needs, and environmental conservation.

18 (3) Vermont’s cities and towns lack the ability to make the best  
19 decisions to meet their unique, truly local needs.

1           (4) Establishing a pilot program that authorizes a limited number of  
2           cities and towns to engage in self-governance within defined parameters will:

3                   (A) allow the State to determine the current gaps in municipal power  
4           and agency;

5                   (B) provide a laboratory for cities and towns to develop local  
6           solutions to particularized issues; and

7                   (C) allow cities and towns within the program to more efficiently  
8           respond to the needs of their residents.

9           § 5802. DEFINITIONS; ELIGIBILITY

10           As used in this chapter:

11                   (1) “Commission” means the Municipal Self-Governance Commission.

12                   (2) “Municipality” means an incorporated city or town.

13                   (3) “Program” means the Municipal Self-Governance Program.

14                   (4) “Proposal” means a plan that describes the following:

15                           (A) the enumerated powers that the municipality requires for the  
16           adoption of proposed ordinances that are not in conflict with the U.S.  
17           Constitution, the Vermont Constitution, and State or federal laws and that  
18           provide for the health, safety, and welfare of the population within the  
19           territorial limits of the municipality; and

20                           (B) the measures a municipality expects to pursue, including the  
21           adoption of any ordinances, acts, resolutions, rules, and regulations.

1 § 5803. PROPOSAL ADOPTION PROCEDURE; SUBMISSION

2 (a) A municipality that seeks to participate in the Program shall submit a

11 public hearings on the proposal before the vote at the annual or special  
12 meeting.

13 (B) The first public hearing shall be held at least 20 days before the  
14 vote at the annual or special meeting.

15 (3)(A) The legislative body may revise the proposal in light of  
16 recommendations made at a public hearing, but in no event shall the revisions  
17 be made fewer than 10 days before the date of the meeting to vote on the  
18 proposal.

19 (B) If revisions are made, the legislative body shall post a notice of  
20 these revisions in the same places as the warning for the meeting not less than

1 10 days before the date of the meeting and shall file an official copy of the  
2 revisions with the clerk of the municipality who shall certify the copy.

3 (4) The second public hearing shall be held not later than 10 days after  
4 the first public hearing.

5 (5) After the warning and hearing requirements of this section are  
6 satisfied, the proposal shall be submitted to the voters at an annual or special  
7 meeting in its certified form, except that the legislative body may make  
8 technical corrections.

9 (b) A municipality may seek to amend an approved proposal by submitting  
10 the amendment to the voters according to the procedure contained in  
11 subsection (a) of this section.
