TO THE HONORABLE SENATE:

The Committee on Health and Welfare to which was referred House Bill No. 57 entitled “An act relating to preserving the right to abortion” respectfully reports that it has considered the same and recommends that the Senate propose to the House that the bill be amended by striking out Sec. 1 (legislative intent) in its entirety and inserting in lieu thereof the following:

Sec. 1. LEGISLATIVE INTENT

Currently Vermont does not impose legal restrictions on the right to abortion. Health care practitioners providing abortion care in Vermont make determinations regarding the provision of safe and legal abortion within the scope of their practice and license, and in accordance with the relevant standards of medical practice and guiding ethical principles. The General Assembly intends this act to safeguard these existing rights to access reproductive health services in Vermont by ensuring those rights are not denied, restricted, or infringed by a governmental entity. Nothing about this act shall be construed to undermine the supreme legislative power exercised by the Senate and House of Representatives in accordance with Chapter II, Section 2 of the Vermont Constitution or the judicial power vested in Vermont’s unified judicial system in accordance with Chapter II, Section 4 of the Vermont Constitution, or to contravene 18 U.S.C. § 1531.
