

(b) Conditions. As a condition of further State funding, the General Assembly requires that the following quality oversight measures be implemented by the Brattleboro Retreat under the oversight of the Department of Mental Health:

(1) allow the existing mental health patient representative under contract with the Department pursuant to 18 V.S.A. § 7253(1)(J) to have full access to inpatient units to ensure that the mental health patient representative is available to individuals who are not in the custody of the Commissioner;

(2) in addition to existing policies regarding the provision of certificates of need for emergency involuntary procedures, provide to the Department deidentified certificates of need for emergency involuntary procedures used on individuals who are not in the custody of the Commissioner; and

(3) ensure that the mental health patient representative be a regular presenter at the Brattleboro Retreat's employee orientation programming; and

(4) ensure that the Brattleboro Retreat bargains in good faith with the labor organization that is the exclusive representative of the Retreat's employees in order to establish a process for staff to meet directly with the Retreat's Board regarding opportunities to meaningfully improve communications and relations with the Retreat's employees.
