 - Financial support to all existing SASH panels ~\$3.8M
- Mental Health Integration
 - SASH/ Howard embedded clinician
 - Support to primary care to embed MH clinicians in their practices
- State Reform Efforts
 - Complete Blueprint funding for Medicare ~ \$4.1M
 - Innovation funding to support best practices ~ \$1M

Interdisciplinary Grand Rounds

OneCareVermont

OneCare Vermont Interdisciplinary Educational Opportunities

OneCare Vermont Interdisciplinary educational opportunities are available to all regardless of affiliation with the ACO and offer continuing education credits. Our educational sessions share perspectives from providers across the care continuum with special attention given to the patient experience. Our past sessions of interdisciplinary grand rounds and annual chronic condition symposiums are available as enduring material. Accessible on the [UVM CME website](#) with 1.5 - 2 CME/CEUs offered for each session.

Sessions Currently Available:

- Palliative Care
- Population Health & Diabetes
- Suicide
- Annual Wellness Visits
- Dementia Care in Vermont
- COPD
- Asthma in the Pediatric Patient
- Patient and Family Centered Care

2019 Upcoming Session In-person and Via WebEx

February 12, 2019 - Interdisciplinary Grand Rounds on Pediatric ADHD

If you have questions please email education@onecarevt.org.

Statewide Education and Partnerships

Four full-day, in-person sessions:

- April 20: *Standards of care and patient panels*
- June 1: *Self-management and motivational interviewing*
- September 14: *Pharmacology and medication management*
- January 11, 2019: *Whole person care: Mental health and the social determinants of health*

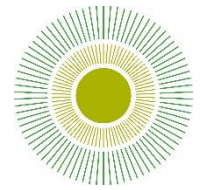

Diabetes Learning Collaborative

15 teams - 8 Vermont counties
