| 1  | TO THE HONORABLE SENATE:   |
|----|--|
| 2  | The Committee on Judiciary to which was referred Senate Bill No. 112         |
| 3  | entitled "An act relating to good time" respectfully reports that it has     |
| 4  | considered the same and recommends that the bill be amended by striking out  |
| 5  | all after the enacting clause and inserting in lieu thereof the following:   |
| 6  | Sec. 1. FINDINGS   |
| 7  | The General Assembly finds that:   |
| 8  | (1) For nearly 40 years, Vermont had a system of statutory good time         |
| 9  | that permitted offenders to receive reductions in their sentences for        |
| 10 | maintaining good behavior and participating in programming while in the      |
| 11 | custody of the Commissioner of Corrections. This good time system was        |
| 12 | repealed in 2005.  |
| 13 | (1) In 2018, the General Assembly directed the Commissioner of               |
| 14 | Corrections, in consultation with the Chief Superior Judge, the Attorney     |
| 15 | General, the Executive Director of the Department of Sheriffs and State's    |
| 16 | Attorneys, and the Defender General, to submit a report (the Report) to the  |
| 17 | Legislature on the advisability and feasibility of reinstituting a system of |
| 18 | earned good time for persons under Department of Corrections supervision.    |
| 19 | The Report was filed on November 15, 2018.                                   |
| 20 | (2) In the Report, the Commissioner found that:                              |

| 1  | (A) empirical studies show that earned good time is effective at             |  |  |
|----|--|--|--|
| 2  | prison population management, has little to no community impact or effect on |  |  |
| 3  | public safety, and is perceived by correctional administrators as having a   |  |  |
| 4  | positive impact on facility control;   |  |  |
| 5  | (B) earned good time reduces incarceration costs by an amount                |  |  |
| 6  | ranging from \$1,800.00 to \$5,500.00 per inmate, depending on the number of |  |  |
| 7  | days an inmate's sentence is reduced; and                                    |  |  |
| 8  | (C) although research is mixed, studies show that earned good time           |  |  |
| 9  | can result in a crime rate reduction of 1–3.5 percent.                       |  |  |
| 10 | (3) On the basis of the Report's findings, the Commissioner concluded        |  |  |
| 11 | that the Department should "reinstitute a program of earned good time for    |  |  |
| 12 | sentenced inmates and individuals on furlough."                              |  |  |
| 13 | (4) In order to reduce the State's prison population by reintegrating        |  |  |
| 14 | offenders into the community while maintaining public safety, a system of    |  |  |
| 15 | earned good time should be reinstituted in Vermont as soon as possible.      |  |  |
| 16 | Sec. 2. 28 V.S.A. § 818 is added to read:                                    |  |  |
| 17 | § 818. EARNED GOOD TIME; REDUCTION OF TERM                                   |  |  |
| 18 | (a) On or before January 1, 2020, the Department shall file a proposed rule  |  |  |
| 19 | implementing an earned good time program.                                    |  |  |
| 20 | (b) The earned good time program implemented pursuant to this section        |  |  |
| 21 | shall comply with the following standards:                                   |  |  |

| 1  | (1) The program shall be available for all eligible offenders under the           |  |  |
|----|---|--|--|
| 2  | supervision of the Department, including furloughed offenders, who have been      |  |  |
| 3  | sentenced and committed to the custody of the Commissioner.                       |  |  |
| 4  | (2) Offenders with a sentence of 180 days or less shall earn a reduction          |  |  |
| 5  | of five days in the minimum and maximum terms of confinement for each             |  |  |
| 6  | month during which the offender faithfully has observed all the rules and         |  |  |
| 7  | regulations of the institution to which the offender is committed.                |  |  |
| 8  | (3) For offenders with a sentence of greater than 180 days, the program           |  |  |
| 9  | shall be a merit-based system designed to incentivize offenders to participate in |  |  |
| 10 | activities that prepare them for reentry. The program shall provide for           |  |  |
| 11 | reductions in the offender's term of supervision for periods during which the     |  |  |
| 12 | offender has participated in treatment, counseling, education, or vocational      |  |  |
| 13 | training or complied with other requirements identified by the Department to      |  |  |
| 14 | meet the offender's needs.  |  |  |
| 15 | (4) An offender who receives pre-adjudication or post-adjudication                |  |  |
| 16 | treatment in an inpatient setting for a substance abuse disorder shall earn a     |  |  |
| 17 | reduction of one day in the minimum and maximum terms of confinement for          |  |  |
| 18 | each day that the offender receives the inpatient treatment.                      |  |  |
| 19 | (5) The Department shall provide timely written notice each month to              |  |  |
| 20 | the offender any time the offender receives a reduction in his or her term of     |  |  |
| 21 | supervision pursuant to this section, and the Department shall maintain a         |  |  |

| 1 | system that documents and records all such reductions in each offender's |                   |
|---|--|-------------------|
| 2 | permanent file.  |                   |
| 3 | Sec. 2. EFFECTIVE DATE   |                   |
| 4 | This act shall take effect on passage.                                   |                   |
