TO THE HONORABLE SENATE:

The Committee on Judiciary to which was referred Senate Bill No. 18 entitled “An act relating to consumer justice enforcement” respectfully reports that it has considered the same and recommends that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 9 V.S.A. chapter 152 is added to read:

CHAPTER 152. MODEL STATE CONSUMER JUSTICE ENFORCEMENT ACT; STANDARD-FORM CONTRACTS

§ 6055. UNCONSCIONABLE TERMS IN STANDARD-FORM CONTRACTS

(a) Unconscionable terms. There is a rebuttable presumption that the following contractual terms are substantively unconscionable when included in a standard-form contract to which only one of the parties to the contract is an individual and that individual does not draft the contract:

(1) A requirement that resolution of legal claims takes place in an inconvenient venue. As used in this subdivision, “inconvenient venue” for State law claims means a place other than the state in which the individual resides or the contract was consummated, and for federal law claims means a place other than the federal judicial district where the individual resides or the contract was consummated. Notwithstanding this subdivision, a standard-
form contract may include a term requiring that resolution of legal claims take place in a State or Federal court in Vermont.

(2) A waiver of the individual's right to assert claims or seek remedies provided by State or federal statute.

(3) A waiver of the individual's right to seek punitive damages as provided by law.

(4) Pursuant to 12 V.S.A. § 465, a provision that limits the time in which an action may be brought under the contract or that waives the statute of limitations.

(5) A requirement that the individual pay fees and costs to bring a legal claim substantially in excess of the fees and costs that this State's courts require to bring such a State law claim or that federal courts require to bring such a federal law claim.

(b) Relation to common law and the Uniform Commercial Code. In determining whether the terms described in subsection (a) of this section are unenforceable, a court shall consider the principles that normally guide courts in this State in determining whether unconscionable terms are enforceable. Additionally, the common law and Uniform Commercial Code shall guide courts in determining the enforceability of unfair terms not specifically identified in subsection (a) of this section.

(c) Severability.
(1) If a court finds that a standard-form contract contains an illegal or unconscionable term, the court shall:

(A) refuse to enforce the entire contract or the specific part, clause, or provision containing the illegal or unconscionable term; or

(B) so limit the application of the illegal or unconscionable term or the clause containing such term as to avoid any illegal or unconscionable result.

(2) In performing its analysis under this subsection (c), the court shall consider the incentive of the contract drafter in including the illegal or unconscionable term.

(d) Unfair and deceptive act and practice.

(1) In an underlying legal dispute between the drafting and non-drafting parties in which the drafting party seeks to enforce one or more terms identified in subsection (a) of this section, and upon a finding that such terms are actually unconscionable, the court may also find that the drafting party has thereby committed an unfair and deceptive practice in violation of section 2453 of this title and may order up to $1,000.00 in statutory damages per violation and an award of reasonable costs and attorney's fees.

(2) Each term found to be unconscionable pursuant to subsection (a) shall constitute a separate violation of this section.
(e) Limitation on applicability. This section shall not apply to contracts to which one party is:

(1) regulated by the Vermont Department of Financial Regulation; or

(2) a financial institution as defined by 8 V.S.A. § 11101(32).

(f) Acceptance of inherent risks. Nothing in this chapter shall be construed to limit the application of 12 V.S.A. § 1037 (acceptance of inherent risks).

Sec. 2. LEGISLATIVE INTENT

The General Assembly acknowledges that outdoor recreation is an important part of Vermont’s economy and culture that encourages healthy communities and individuals, increases our connection to nature, enhances the Vermont lifestyle, and supports the attraction of high-quality employers and a sustainable workforce in all economic sectors. It is not the intent of the General Assembly to change the way courts allocate responsibility for the inherent risks of any outdoor recreational activity or sport.

Sec. 3. EFFECTIVE DATE

This act shall take effect on October 1, 2020.
