Act No. 10 (H.149). Internal security and public safety; National Guard

An act relating to modernizing statutes related to the Vermont National Guard.

This act makes numerous changes to update statutory language and terms related to the Vermont National Guard and to ensure that the Vermont Statutes Annotated reflect the current structure and mission of the Vermont National Guard. This act also repeals several sections that have become outdated or obsolete. In addition, this act amends the job protections for National Guard members so that members have the same job protections for state active duty service as the federal Uniformed Services Employment and Reemployment Rights Act provides for federal active duty service.
