Act No. 13 (S.60). Public service; general powers; alternative regulation of electric and natural gas companies

An act relating to allowing municipal and cooperative utilities to offer innovative rates and services

This act authorizes municipal electric companies and electric cooperatives to make minor rate changes and to offer innovative rates or services without going through full ratemaking proceedings. It enables municipal electric companies and electric cooperatives to make minor rate changes provided that each rate change and the offering utility comply with specific conditions. It also enables municipal electric companies and electric cooperatives to temporarily offer innovative rates or services within specific parameters through pilot programs.
