SHORT FORM

Introduced by Representative Killacky of South Burlington

Referred to Committee on

Date:

Subject: Health; food service establishments; food allergies

Statement of purpose of bill as introduced: This bill proposes to enhance food allergy awareness in food service establishments by: (1) requiring training on allergens for designated persons employed by food service establishments; (2) requiring printed menus and menu boards used by food service establishments to include notice of customers' obligation to inform the server of an allergy to a major food allergen; and (3) establishing a procedure for informing food service establishment customers of the presence of major food allergens in menu items.

An act relating to enhancing food allergy awareness in food service establishments

It is hereby enacted by the General Assembly of the State of Vermont:
