An act relating to requiring active community notification upon release of sex offender who committed an offense against a minor

It is hereby enacted by the General Assembly of the State of Vermont:

(a)(1) Notwithstanding other provisions to the contrary, the Department, the Department of Corrections, and any authorized local law enforcement agency are authorized to notify members of the public at their discretion about any sex offender whose information is required to be posted on the Internet in accordance with section 5411a of this title.

(2) Not less than 30 days prior to release of a sex offender from confinement, the Department of Corrections shall notify tenants and owners of property abutting the property where the sex offender will reside upon release if:

(A) the sex offender’s information is required to be posted on the Internet in accordance with section 5411a of this title;

(B) the registrable offense was committed against a minor; and

(C) the offender has not completed his or her sentence and will continue to be supervised by the Department of Corrections at the residence.

(b) The Department, the Department of Corrections, and any authorized local law enforcement agency are authorized to notify members of the public at their discretion about a sex offender whose information is not required to be posted on the Internet in accordance with section 5411a of this title only under circumstances that constitute a compelling risk to public safety and only after consultation with the Vermont Crime Information Center and the Department of Corrections.
(c) Registry information shall not be released under this section unless it is released pursuant to written protocols governing the manner and circumstances of the release developed by the Department, the Department of Corrections, or an authorized law enforcement agency. The protocols shall include consultation between the department or agency releasing the information and the department of corrections' staff member responsible for supervising the offender.

(d) Active community notification regarding registered sex offenders who may pose a danger to members of the community is an important public safety tool that the General Assembly intends for authorized agencies to use at their discretion in accordance with this subchapter.
