*** Federal Funding, Administration ***

Sec. 1. FEDERAL FUNDS; ANTICIPATED RECEIPTS

(a) To the extent that appropriations in this act are made from federal funds provided by the American Rescue Plan Act of 2021 (ARPA), Pub. L. No. 117-2, in the Coronavirus State Fiscal Recovery Fund and the Elementary and Secondary School Emergency Relief Fund, the Commissioner of Finance and Management is authorized to make expenditures in anticipation of receipts as necessary. The Commissioner shall immediately notify the House and Senate Committees on Appropriations, or the Joint Fiscal Committee through the Joint Fiscal Office when the General Assembly is not in session, if any such expenditure is later deemed impermissible by subsequent federal guidance.

(b) The Commissioner shall maximize the use of Federal Emergency Management Administration (FEMA) funds where expenses are eligible, and the use of FEMA funds does not delay or inhibit the purpose of the funded program or activity. To the extent that FEMA funding is used, the Commissioner shall reduce funding to the extent that FEMA resources reduce the need for appropriated resources.

(c) The appropriations in this act shall carry forward from fiscal year 2021 until expended.
Sec. 1a. AMERICAN RESCUE PLAN ACT OF 2021: ACCEPTANCE OF SPECIFIC FEDERAL GRANTS

(a) Notwithstanding 32 V.S.A. § 5, funds from the American Rescue Plan Act of 2021 (ARPA), the Coronavirus State Fiscal Recovery Fund, and the Coronavirus Capital Projects Fund shall be deposited into the State Treasury and are hereby accepted and shall be spent subject to appropriation.

(b) Notwithstanding 32 V.S.A. § 5, any funds received through Section 2001 of the Elementary and Secondary School Emergency Relief Fund and not required to be made as subgrants to local educational agencies in ARPA shall be spent subject to appropriation.

Sec. 1b. REPORTING BY ENTITIES OUTSIDE STATE GOVERNMENT ON USE OF FUNDS

Any recipient State agency that grants funds appropriated in this act to a non-State recipient shall require that recipient to report on the specific uses of the funds on or before November 1, 2021. Granting agencies shall compile and report on the use of these funds to the General Assembly by December 1, 2021.

Sec. 1c. INTENT REGARDING FUTURE STATE FUNDING

The purpose of funding appropriated from ARPA in this act is related to addressing impacts of the COVID-19 pandemic as well as making investments
for a sustained economic recovery. The appropriation of these funds is not intended to create a future funding commitment from other State funds.

Sec. 2. REMAINING CORONAVIRUS RELIEF FUNDS;

CARRYFORWARD, REVERSION, AND APPLICATION

(a) To the extent that Coronavirus Relief Fund (CRF) spending authority made through appropriation or by approval of the Joint Fiscal Committee remains available as of June 30, 2021, any amounts necessary to pay for expenditures that have been obligated but not paid out as of June 30, 2021 shall carry forward to fiscal year 2022.

(b) Prior to the close of fiscal year 2021, the Commissioner of Finance and Management is authorized to revert all unobligated CRF appropriations to the State CRF. In fiscal year 2021, the total amount of CRF reverted under this subsection shall be appropriated to any agency or department for CRF eligible public safety payroll and benefits costs or other eligible CRF costs and the same amount of General Fund appropriated shall be reverted. To the extent there are insufficient CRF eligible costs in fiscal year 2021, any remaining reverted CRF balance shall be appropriated and carried forward to any agency or department with eligible CRF costs in fiscal year 2022 where an equal amount of general funds shall be reverted in fiscal year 2022 through the budget adjustment process.
(c) The Commissioner shall report to the House and Senate Committees on Appropriations on or before June 1, 2021 with estimates of each of the following: CRF carryforward need, CRF reversions, and total CRF appropriations to the Department of Corrections and other departments with eligible CRF costs; and the General Fund reversions anticipated on or before June 30, 2021 as authorized under this section. The report shall also include a brief description of the degree to which Federal Emergency Management Agency (FEMA) funding applications and awards are impacting these estimates. Sec. 3. ECONOMIC RECOVERY BRIDGE GRANTS

(a) Purpose.

(1) The purpose of this section is to provide bridge funding to businesses that suffered a tax loss in 2020 and require immediate State aid, either to remain open or to reopen the business, until additional federal funds can be deployed and until the economic recovery provides a more stable stream of revenue to support business operations.

(2) The funding in this section is primarily intended for businesses that have not received prior State or federal financial assistance. Because these
businesses have not benefited from State or federal programs, they are eligible for grants that will provide funding for fixed operating costs or a threshold amount in order to ensure they remain viable.

(3) To the extent that funds remain available, businesses that have already received prior State or federal assistance may receive grants under the program, with priority for those businesses that, after adding to the business’s income the amount of any nontaxable COVID-19-related direct financial assistance from State or federal sources, the business still would have suffered a tax loss.

(b) Appropriation.

(1) In fiscal year 2021, the amount of $10,000,000.00 is appropriated from the American Rescue Plan Act of 2021- Coronavirus State Fiscal Recovery Fund to the Agency of Commerce and Community Development to provide grants to eligible businesses pursuant to this act.

(2) The Agency may use not more than five percent of the appropriated funds for the costs of administration, including technical assistance and guidance concerning potential eligibility for federal programs.

(3) The Agency shall make best reasonable efforts to conduct outreach, provide information, and provide necessary assistance for women- and BIPOC-owned businesses to access grant funds.
(c) Eligibility. To be eligible for a grant, a business shall meet the following criteria:

(1) The business is domiciled or has its primary place of business in Vermont.

(2) The business is organized and operated:

   (A) on a for-profit basis, including a sole proprietor, partnership, limited liability company, business corporation, cooperative, or mutual benefit enterprise; or

   (B) on a nonprofit or low-profit basis, including a mutual benefit corporation, public benefit corporation, and a low-profit limited liability company.

(3) The business:

   (A) is open at the time of application and attests that it will use grant funds for business-related operations and economic recovery; or

   (B)(i) is closed at the time of application due to the COVID-19 public health emergency;

   (ii) attests that it will use grant funds for resuming its business operations and economic recovery; and

   (iii) submits a brief written description of its good faith plan to reopen.
(4) The business suffered a tax loss due to the COVID-19 public health emergency as evidenced by its federal 2020 income tax return.

(5) The business complies with current State health and safety protocols established by Executive Order.

(d) Amount of grant.

(1) A grant shall not exceed the lesser of:

(A) three times the eligible business’s fixed monthly expenses for commercial mortgage or rent, insurance, electricity, heat, water, sewer service, telecommunications service, and Internet service; or

(B) $150,000.00.

(2) The Agency may reduce the amount of a grant pursuant to guidelines it adopts for that purpose based on the amount of any COVID-19-related direct financial assistance that the business has received from State or federal sources.

(e) Grant administration; priorities.

(1) Beginning on the date the Agency begins accepting applications, for an initial 30-day period, the Agency may accept applications from eligible businesses but shall award grants only to eligible businesses that have not received any COVID-19-related direct financial assistance from State or federal sources.
(2) After the initial 30-day period, the Agency shall continue to accept applications and award grants consistent with the following:

   (A) The Agency shall give first priority to eligible businesses that have not received any COVID-19-related direct financial assistance from State or federal sources.

   (B) The Agency shall give subsequent priority to eligible businesses that, after adding to the business’s income the amount of any nontaxable COVID-19-related direct financial assistance from State or federal sources, the business still would have suffered a tax loss.

(f) Grant administration; use of funds; future grant awards. Any amounts that remain unspent through the program shall revert to the Agency of Commerce and Community Development for purposes of supplementing any future economic recovery grant program established prior to January 1, 2022 and, if no program is established, then to the American Rescue Plan Act of 2021 – Coronavirus State Fiscal Recovery Fund.

(g) Guidelines. Not later than 10 days after the effective date of this act, the Agency shall publish guidelines governing the implementation of the program, which at minimum shall:

   (1) establish application award procedures and a timeline for accepting applications;
(2) establish standards to determine whether an eligible business has its primary place of business in Vermont;

(3) establish standards for the use of grant funds for the purpose of business-related economic recovery;

(4) establish procedures to ensure that grant awards comply with the requirements of this section and that the State maintains adequate records to demonstrate compliance with this section;

(5) establish procedures to prevent, detect, and mitigate fraud, waste, error, and abuse; and

(6) establish procedures to ensure that grant applicants comply with State and federal employment and labor laws.

(h) Reporting. The Agency shall submit two reports to the House Committees on Appropriations and on Commerce and Economic Development and the Senate Committees on Appropriations and on Economic Development, Housing and General Affairs detailing the implementation of this section, including specific information concerning the amount, identity, and demographic information of grant recipients, which shall be publicly available:

(2) a final report not later than 30 days after program funds are exhausted.
(i) Auditing; compliance. The Agency shall include in all grant awards
standard audit provisions, substantially similar to the audit provisions included
pursuant to Administrative Bulletins 3.5 and 5.0, that provide that records
pertaining to grant awards shall be retained and remain subject to audit and
inspection by the Agency and the State Auditor of Accounts for a period of
time specified by the Agency.

(j) Recapture. The Agency shall include in all grant awards standard
recapture provisions, which shall include that a grant award may be subject to
recapture if a recipient is found to be ineligible for the award or to have used
an award for an ineligible purpose, consistent with the guidelines the Agency
adopts pursuant to subsection (g) of this section.
